Broken Melody Anne:

Broken Melody Anne, 2014-08-20 Book two in Blake Knight and Jewell Weston's story. See how their story concludes. Relinquish Control has opened its doors in Seattle and already we are not shy for customers. Relinquish Control is an exclusive escort service catering to the most distinguished customers from business magnates to foreign royalty. This proven and well-established international business offers an elite selection of women who are ready and willing to attend to your every need with no questions asked. Confidentiality is our special obligation. Jewell Weston is homeless and desperate at age twenty-four. Two years ago she quit her job to care for her ailing mother and her young brother; the medical bills incurred because of the cancer that killed her mother two months ago took everything the family had and the state then took away her brother, now age fourteen. The only way for her to get the boy back is by finding a job and securing a home. When she is approached by a woman in cashmere and pearls who tells her she can change her life and is handed a card with the business name Relinquish Control on it, she thinks she has nothing to lose by calling the phone number. Maybe this will be the answer to her prayers, a way to save her little brother from the nightmarish foster home he's been placed in. Blake Knight, known to the world as cold and without a heart, is given an exclusive membership to Relinquish Control by his devilish younger brother who thinks it would be amusing to make his staid brother squirm. Little does this brother realize that Blake does indeed have unusual desires that Relinquish Control can cater to perfectly. What started as a joke turns out to be just what Blake needs. Though the world sees this man as deliberate and emotionless, it's nothing but a facade. What lies underneath would shock all those who know him. When he and his two brothers were six, eight, and ten, they were tied up and forced to watch while their parents were murdered. The image has been burned into their minds, though they've tried to forget, leaving each of them guarded and unwilling to give their trust to anyone other than each other. No one is allowed to have their hearts. The brothers would never think of letting down their guard with anyone else, certainly not with a woman. Follow Blake and Jewell's journey and see if they can find a happily ever after.

Battles of Destiny 2-in-1 Vol. 3 Al Lacy, 2009-10-14

Dramatic Tales of Love and Civil War: The Battles of Destiny series is now available in four attractive two-in-one volumes. Bestselling author Al Lacy packs each dramatic novel in the popular historical fiction series with heartwarming romance and solid moral values. Set during the Civil War, these are the tales of families, soldiers, nurses, and spies as they contend with the deadly threats posed by war and the eternal hope that springs from love. The Civil War: Joy From Ashes: Battle of Fredericksburg While fighting to defend his home and family against Union attack, Major Lane Dalton learns that enemy soldiers have brutalized his wife. Tragically, the actions of three cruel-hearted Hegland brothers have caused not only the suffering of his bride but also the death of Layne and Melody's unborn son. Thirsting for vengeance, the young major vows to bring judgment upon those responsible. Yet surprising circumstances make Dalton presumed dead by his wife and fellow soldier, a prisoner of the very men he swore he would destroy.

Season of Valor: Battle of Gettysburg As teenagers Shane Donovan and Ashley Kirino promise to love each other forever, but when Ashley's parents decide to return to Ireland and take their daughter with them, the sweethearts sadly bid each other farewell and accept their fate. After several years, both have found other loves and married. So when Ashley returns to Maine and the friendship between the two is rekindled, Shane and Ashley find that a new kind of love is needed to overcome the sprouting seeds of tragedy in their freshly intertwined lives.

Story Behind the Book While studying American history in high school, I was struck with a strange fascination for the Civil War. That fascination grew stronger when I studied it again in college, and I've visited many of the sites where the battles took place. When I visited the Appomattox Court House in Virginia, where General Robert E. Lee signed the documents of surrender before General Ulysses S. Grant, I was struck with the thought of creating a series of novels based upon specific battles in the Civil War. I wanted to mold fictional characters with real ones and fill the stories with romance, suspense, intrigue, and the excitement of battle. That's how the Battles of Destiny series came to be.
