Mind Blossoms Robyna Smith-keys, 2023-09-11 A book to help you become marvelously alive Most mothers love their children unconditionally Yet they struggle with the concept of unconditional love when it comes to their spouse family members friends and other people We must plant unconditional love seeds in our minds and nourish those seeds Unconditional love knows no boundaries It allows you to love the person not their acts My journey has not always followed through on the art of unconditional love because I did not fully understand how to always make that work for me in every given situation but I do nowadays and I pray I can assist you to reach this pinnacle sooner than I did I learned to meditate as a very young child Meditation saved my life on several occasions and helped me to step out of situations that

were too painful to deal with But it failed my unconditional love growth patterns However good meditation skills is where it all begins Because that is our connection our seeds to a peaceful logical unconditional love growth that will magically blossom into the most amazing mindful mind blossoms A beautiful mind cannot be seen but others will feel its grace its presence and the existence of those blossoms in you After having many miscarriages being bashed and being in a coma for nine days I am not grateful for those experiences However now I understand why I had to go through those experiences How those experiences have changed my sixth sense and taught me how to meditate within a heartbeat How to grow blossoms of unconditional love and all the magical experiences that change how people treat me Meditation will assist you with Anger problems Fear Aggression Bullies Antagonism Self pity Grief Depression Insomnia Addictions What I did not have at the time was the skills to turn a bad situation into a good one with unconditional love I now know how to do that and love the mind blossoms I have that bloom most of the time Sometimes my blossoms close up with disappointment or with fear Then I meditate and put unconditional love into the mix and wham my mind blossoms and the situation changes People will be more kind and considerate towards a person who has a blossoming mind Your mind blossoms can tame the wildest beast of a person and set you on a magical path to a better relationship The outcome is almost unbelievable This is a book on Self Improvement Visualization Spiritual Cleansing and Mediation it is my dream that this book will assist you to Decrease Insomnia Increased Personal Development reducing stress and Anxiety releasing anger Within A Heartbeat Reduced Risk of cardiovascular related deaths Lowered Blood Pressure Increased Intelligence Easier to Focus and Concentrate Reduced Risk for other Diseases and Illnesses Connect Mind Body and Soul to Your Higher Power The Scientifically Proven Mind Body and Soul happiness blossoms How To Experience Peace and Happiness Within Seconds Even When Life is Stressful Once you have experienced the POWER of intention you will breeze through life and never look back Know and trust happiness is around the corner waiting for you Each and every step of our life teaches us something amazing This book will help get you through the hard times and create blossoms in your mind that will grow and bloom into wonderful happenings If you are easily hurt then try to remember that the other person has a different mindset to you and is at a different stage of their unconditional love journey Therefore they know not what they do Ask yourself does it really matter Do I need to win Can I walk in there past pain Will I let their understanding of the situation cloud my judgment or spoil my life Can I put seeds in my mind to become blossoms of inner peace in all situations I am ready to dissolve pain
