A Sure Thing What We Believe And Why Futurists Library:

Beyond the Library of the Future Bruce A. Shuman, 1997-03-15 With insightful comments from a variety of sources and a generous dose of humor Shuman builds fictional scenarios that are guaranteed to get librarians thinking What if Eight new scenarios explore such developments as virtual reality robots time travel computer viruses security and more all within the context of the public library or cybrary as the author calls it Written in a conversational tone the book is intended to stimulate discourse and exploration of issues Current trends are carefully woven into each scenario as Shuman investigates issues surrounding the library's role in the future A list of quotations about the future and an extensive bibliography for further reading conclude the work This book is a sequel to not a revision of Shuman's previous work *The Library of the Future* Like its predecessor it is entertaining and thought provoking a great read for librarians library administrators and students in library school *Children's Books in Print*, 2007, 2006 **Caribbean Futurism and Beyond** Jarrel De

Matas, 2025-08-25 Caribbean Futurism and Beyond is a tripartite combination of interviews with writers of the sf speculative fiction science fiction fantasy and folklore genre literary and cultural analysis of those interviews within the context of seven discrete yet overlapping dimensions folklore mythology children's and young adult literature science technology climate disaster and identity and a theoretical basis of Caribbean futurism as an esthetic practice reflecting not just future but also past and present experiences of Caribbean people The combination of interviews analysis and theory contributes to the ongoing questions that have been and will likely remain central to being and belonging to the Caribbean The authors share their creative processes inspirations and the unique ways they address Caribbean experiences through stories that expand the boundaries of the genre *Futurism and School Media Development* Marilyn Lea Miller, Alida L. Geppert, 1975

Book: A Futurist's Manifesto Hugh McGuire, Brian O'Leary, 2011-10-21 The ground beneath the book publishing industry dramatically shifted in 2007 the year the Kindle and the iPhone debuted Widespread consumer demand for these and other devices has brought the pace of digital change in book publishing from it might happen sometime to it's happening right now and it is happening faster than anyone predicted Yet this is only a transitional phase Book A Futurist's Manifesto is your guide to what comes next when all books are truly digital connected and ubiquitous Through this collection of essays from thought leaders and practitioners you'll become familiar with a wide range of developments occurring in the wake of this digital book shakeup Discover new tools that are rapidly transforming how content is created managed and distributed Understand the increasingly critical role that metadata plays in making book content discoverable in an era of abundance Look inside some of the publishing projects that are at the bleeding edge of this digital revolution Learn how some digital books can evolve moment to moment based on reader feedback **Communism and Culture** Radu Stern, Vladimir Tismaneanu, 2022-05-03 This book is a comprehensive introduction to the relationship between communism understood as an ideological political and social project and culture broadly defined as the field of aesthetic production Communism was a

global phenomenon and the global civil war of the 20th century was in more than one respect a cultural war which involved some of the most influential figures of the last century The book highlights and explains the impact of political mythologies in the efforts to transcend the bourgeois legacies and engage in a social cultural and anthropological revolution The authors examine the interplay between utopian goals and cultural practices in fields such as literature visual arts film and humanities in general

Critical Writings F. T. Marinetti, 2007-04-07 The Futurist movement was founded and promoted by Filippo Tommaso Marinetti beginning in 1909 with the First Futurist Manifesto in which he inveighed against the complacency of cultural necrophiliacs and sought to annihilate the values of the past writing that there is no longer any beauty except the struggle Any work of art that lacks a sense of aggression can never be a masterpiece In the years that followed up until his death in 1944 Marinetti through both his polemical writings and his political activities sought to transform society in all its aspects As G nter Berghaus writes in his introduction Futurism sought to bridge the gap between art and life and to bring aesthetic innovation into the real world Life was to be changed through art and art was to become a form of life This volume includes more than seventy of Marinetti's most important writings many of them translated into English for the first time offering the reader a representative and still startling selection of texts concerned with Futurist art literature politics and philosophy
