A Talent for Trouble (Ladies of Distinction Book #3) Jen Turano, 2013-10-01 For years Miss Felicia Murdock's every thought and action have been in pursuit of becoming a minister's wife. When the minister she'd set her sights on has other ideas, she decides something in her life needs to change and soon before she wastes any more time pretending to be someone she's not. If that means spreading her wings and embracing a more lively way of life, who's to say nay? Grayson Sumner Lord Sefton has had more than enough of spreading his wings and only hopes to settle into the life of a respectable New York gentleman. Prompted by some friends to lift the spirits of the disappointed in love Miss Murdock, he is surprised to encounter an adventurous young lady with an unfortunate knack for stumbling into troublesome situations. Just as Grayson decides he's had quite enough of her antics, his past comes back to haunt him and his presence in Felicia's life endangers her. As they work together to extricate themselves from this latest complication, will Grayson and Felicia decide they want to spend the rest of their lives keeping one another out of trouble?

Meeting Her Match (The Matchmakers Book #3) Jen Turano, 2024-07-16 Miss Camilla Pierpont, a renowned matchmaker and influential member of the New York Four Hundred, has vowed never to marry after suffering a devastating heartbreak during her debut years ago. However, when she is nearly abducted along the Hudson River, she finds herself rescued by an annoyingly outspoken, albeit fascinating gentleman who challenges her in a manner she wasn't expecting. After learning that Camilla Pierpont has enjoyed success with taking wayward young ladies in hand, Mr. Owen Chesterfield travels to the Hudson River Valley determined to convince Camilla to sponsor his sister, who is in desperate need of social rehabilitation. Knowing her life is in danger, Camilla agrees to Owen's proposition and travels with him to West Virginia, finding herself charmed by the less-than-formal attitude of his small hometown as well as by Owen himself. But danger waits in the shadows, disrupting what she knows would be the most spectacular match she's ever made for her own.

Storing Up Trouble (American Heiresses Book #3) Jen Turano, 2020-05-05 When Miss Beatrix Waterbury's Chicago-bound train ride is interrupted by a heist, Mr. Norman Nesbit, a man of science who believes his research was the target of the heist, comes to her aid. Despite the fact that they immediately butt heads, they join forces to make a quick escape. Upon her arrival in Chicago, Beatrix is surprised to discover her supposedly querulous Aunt Gladys shares her own suffragette passions. Encouraged by Gladys to leave her sheltered world, Beatrix begins working as a salesclerk at the Marshall Field and Company department store. When she again encounters Norman on a shopping expedition, he is quickly swept up in the havoc she always seems to attract. But when another attempt is made to part Norman from his research papers and it becomes clear Beatrix's safety is also at risk, they soon discover the curious way feelings can grow between two very different people in the midst of chaos.

Trouble With Gender Alex Byrne,2023-10-04 Sex used to rule

Now gender identity is on the throne Sex survives as a cheap imitation of its former self assigned at birth on a spectrum socially constructed and definitely not binary Apparently quite a few of us fall outside the categories male and female But gender identity is said to be universal we all have one Humanity used to be cleaved into two sexes whereas now the crucial division depends on whether our gender identity aligns with our body If it does we are cisgender if it does not we are transgender The dethroning of sex has meant the threat of execution for formerly noble words such as woman and man In this provocative bold and humane book the philosopher Alex Byrne pushes back against the new gender revolution Drawing on evidence from biology psychology anthropology and sexology Byrne exposes the flaws in the revolutionary manifesto The book applies the tools of philosophy accessibly and with flair to gender sex transsexuality patriarchy our many identities and our true or authentic selves The topics of Trouble with Gender are relevant to us all This is a book for anyone who has wondered Is sex binary Why are men and women different What is a woman or simply Where can I go to know more about these controversies Revolutions devour their own children and the gender revolution is no exception Trouble with Gender joins the forefront of the counter revolution restoring sex to its rightful place at the centre of what it means to be human
