Bartender User Manual

Tim Forder

Bartender User Manual:

Bartenders' Manual Harry Johnson, 2018-03-16 First published in the 1860s Harry Johnson's *Bartenders Manual* is part of the classic bar books and one of its oldest exemplars. The author has been one of the first bartenders who not only had general and wise thoughts about his profession but also committed his experiences and opinions to paper and wrote a teaching book for beginners and professionals. Doing this he laid the foundation for following generations and stands beside Jerry Thomas at the beginning of a long list of famous bartenders. In his book Harry Johnson carries the reader into times where it was obviously necessary to remind bartenders not to chew on a toothpick or a cigar when on a job interview, not to spit on the floor or pursue other bad habits. He gives advice how to conduct a bar as well as how to treat employees and guests, how to handle beer casks and wine bottles, what stock is needed in a bar or restaurant, how to keep the business books, and much more. The second half of the book contains recipes for cocktails, punches, bowls, and other drinks famous in USA and Europe during this time. There you can also find the presumably first mention of the Martini cocktail as well as instruction of how to mix absinthe and chill champagne. The *Bartenders Manual* is not only a window to the past; it also shows how professional some bartenders of that time pursued their business, a fact we almost forget or ignore as we connect the USA of the 19th century with dusty saloons and dirty beer glasses. Some parts of the book may seem out of date, who is still using blocks of ice or keeps guspidders for his guests, but it is still a must-have for professionals and enthusiastic hobby barkeepers and gives precious insights of the beginning of bar culture.

Meehan's Bartender Manual Jim Meehan, 2017-10-17 A knowledge-filled tome for true cocktail nerds or those aspiring to be Esquire from one of the world's most acclaimed bartenders. WINNER OF THE JAMES BEARD AWARD, WINNER OF THE TALES OF THE COCKTAIL SPIRITED AWARD FOR BEST NEW COCKTAIL OR BARTENDING BOOK, IACP AWARD FINALIST. Meehan's *Bartender Manual* is acclaimed mixologist Jim Meehan's magnum opus and the first book of the modern era to explain the bar industry from the inside out. With chapters that mix cocktail history with professional insights from experts all over the world, this deep dive covers it all: bar design, menu development, spirits production, drink mixing technique, the craft of service, and art of hospitality, and more. The book also includes recipes for 100 cocktails culled from the classic canon and Meehan's own storied career. Each recipe reveals why Meehan makes these drinks the way he does, offering unprecedented access to a top bartender's creative process. Whether you're a professional looking to take your career to the next level or an enthusiastic amateur interested in understanding the how and why of mixology, Meehan's *Bartender Manual* is the definitive guide.
