Jack Crabtree

Better Safe Than Sued Keeping Your Students And Ministry Alive:

Better Safe than Sued Jack Crabtree, 2009-07-27 Most youth workers will admit that they don't spend a lot of time thinking about safety in their youth ministry. Sure they shout Seat belts when the crew loads into the van or they use the buddy system when at theme parks. But beyond that they're mostly concerned with introducing students to Jesus. Nothing's wrong with looking after their spiritual well-being but overlooking their safety can lead to pain and problems for you, your students, your church or your community. The reality is whether it's a game of dodgeball in the church gym or a rock climbing trip during a summer retreat, you have precious cargo in your care and it's your responsibility to make sure they return home safely and in one piece. **Better Safe Than Sued** is an essential guidebook for anyone in youth ministry, paid or volunteer, veteran or rookie. Along with questions to get you thinking about your own ministry context, after each chapter, inside you'll discover how you can make your ministry a safe place for students and leaders as you read about Safety while riding in buses, vans and cars; Camps, retreats and conferences; Selecting staff; Avoiding sexual misconduct; Establishing a No Bully Zone; How to handle injuries and much more. Make sure your ministry is safe and that you're protected so you never have to be the one saying, "I never took safety seriously until..." [The Youth Ministry Survival Guide](#) Len Kageler, 2008 Youth pastors often burn out, bail out and are pushed out of ministry. In this book, you'll be given practical insights and action steps to help you build fences against failure.

Keeping Your Children's Ministry on Mission Jared Kennedy, 2022-02-23 Practical Strategies for Gospel-Centered Children's Ministry. When building a children's ministry at a church, there is so much to consider. Which curriculum should we use? How many volunteers do we need? How do we keep parents in the loop? And that's before we run into stalled check-in computers, missing activity sheets, and floors that need to be vacuumed. While all of the tasks of children's ministry are important, leaders can get easily distracted with the everyday work of doing ministry and lose sight of the main focus: the gospel. Writing from personal ministry experience, Jared Kennedy shares a four-fold approach for gospel-centered, missional children's ministry: hospitality, teaching, discipleship, and mission. This practical resource covers a variety of topics ranging from creating child protection policies to putting together lesson plans to catechism, helpful for children's ministers and volunteers alike as they disciple children with the powerful message of the gospel. Applicable. Includes questions for reflection and evaluation. Helps leaders disciple the next generation. Features advice for sending kids and their families on mission. Ideal for Nursery, 5th Grade, Teachers, and Leaders. A practical and helpful resource for children's ministries. Published in conjunction with the Gospel Coalition TGC.

When Church Kids Go Bad Les Christie, 2008 You may have an amazing program and be well connected to your students, but that doesn't always guarantee a problem-free ministry. Whether it's the guy in the back of the room who's always causing trouble or the girl in the corner with a look of indifference, disruptive and apathetic students can hinder the effectiveness of your ministry. But you don't have to let discipline problems drive you out of youth ministry or out of your mind. In this practical book, youth ministry veteran Les Christie will help you
