

The background of the entire cover is a deep black space filled with numerous small, distant stars. In the center, there is a vibrant, swirling nebula or galaxy core in shades of orange, red, and yellow. Overlaid on this cosmic scene are several thin, glowing green and yellow lines that form concentric circles and spirals, suggesting motion or energy. In the lower-left foreground, the silhouettes of two people are visible. They appear to be standing and looking towards the right, where the bright cosmic light source is. One person is slightly behind the other, and both are holding what look like walking sticks or canes. The overall mood is one of wonder, exploration, and movement.
