Beyond Success And Failure Ways To Self Reliance And Maturity:

Beyond Success and Failure Willard Beecher, Marguerite Beecher, 1986 Discusses the causes and struggles of adults who seek to rid themselves of dependent tendencies and explores ways to discover a sense of self reliance in order to begin living responsibly and maturely as an adult able to contend with any and all confronting problems

The Practice of Love Lair Torrent, 2022-02-15 A master class in relationship repair and connection At its core this book delivers an inconvenient truth Our relationships have to be a daily practice if we want them to thrive We should treat them like we treat anything that we want to succeed by giving them time and attention For far too long it has been assumed that we should innately understand how to love one another Relationships have fallen into the category of things we should know how to do But we are not born knowing how to make a relationship work any more than we are born knowing how to file taxes or buy insurance and there are no classes in high school or college that teach us how to do this The Practice of Love is that class In his work Lair Torrent a licensed marriage and family therapist brings together concepts and tools that can actually help couples heal for the long haul Diving beneath the symptoms most therapies focus on he helps couples develop a deeper understanding of the wounds that brought them together and how they show up in their relationships The 5 Practices gives the reader an opportunity to weed out and take responsibility for limiting or negative habits while allowing them to learn and adopt new and healthier practices with their partner These are not short term solutions but rather a path to profound healing deeper connection and stronger happier relationships

Fear of Success D.W. Tresemer, 2012-12-06 Nought s had all s spent Where our desire is got without content Tis safer to be that which we destroy Than by destruction dwell in doubtful joy So speaks Lady Macbeth upon the attainment of the aim of her ambition act 3 scene 2 Is this expression of a fear of success the consequence of the highly competitive arena in which she is striving to achieve Will this sentiment later lead to the avoidance of this or other forms of success Does she fear success because she is a woman While the fear and avoidance of success are ideas that are not new to psychology or to human behavior recent work by Matina Homer has excited great interest in the psychological measure of a personal disposition to avoid success and a behavioral measure of that avoidance It is with this recent wave of research and writing that Part II of this book is concerned Great personal interest was stimulated in the fear of success concept It is not only the hypochondriacs who find in the idea of a fear of success syndrome an explanation for the course of their lives In Part I are presented the earlier forms which the concept of fear of success took especially in psychoanalytic theory and per sonality theory originating with Freud s discussion of those wrecked by success but citing some of the much

older cultural traditions involving a fear and or avoidance of success **The Metavalues Breakthrough** Larry Mullins, 2009-06-01 Abraham Maslow's forgotten discovery expanded, clarified, and presented in a dynamic new program: The Lost Secret of the top one percent of achievers. What constituted the big difference for self-actualizing people was that their activity became a channel or medium for expressing the eternal ultimate values: the true, the good, the beautiful, the just. I had found men and women in everyday life who were embracing actually living these ultimate values. A. H. Maslow's Future Visions: The Unpublished Papers of Abraham Maslow. FOR THE FIRST TIME The MetaValues Breakthrough makes the elusive process of Self-Actualization an experienceable living reality for the average reader.
