Beyond Patriarchy Essays By Men On Pleasure Power And Change:

Beyond Patriarchy Michael Kaufman, 1987 This is a frank and original analysis of patriarchy by men from all walks of life living on three continents Starting with the basic assumption that the breakdown of the patriarchal system is a good and necessary step towards creating a better society the contributors examine the origins of male domination the institutions that perpetuate it and its manifestations in the thoughts and lives of men A male feminist perspective is offered on a broad range of issues from fatherhood to the organization of the workplace to homosexuality the political structure and the male role in advertising sports and film Written by men living in Canada the United States Britain France and Australia and coming from a wide variety of backgrounds from anthropology to physics the articles here make an important contribution to feminism

Challenging Macho Values Jonathan Salisbury, David Jackson, 1996 Twenty nine collected essays represent a critical history of Shakespeare's play as text and as theater beginning with Samuel Johnson in 1765 and ending with a review of the Royal Shakespeare Company production in 1991 The criticism centers on three aspects of the play the love friendship debate

American Sports Alan Klein, 2013-09-13 This collection illustrates the expansiveness of an interdisciplinary approach to the study of sport While rooted in anthropology these essays consider American sports in their social economic cultural and political aspects charting their evolution The book draws from history sociology and political science as well as considering the relationship between the developed and developing world and culture and masculinity The first part of the book considers the local and global interplay of professional baseball covering Major League Baseball's impact on the Dominican Republic nationalism and baseball on the Mexican US border the globalizing forces of baseball as an industry The second part of the book is concerned with the cultural examination of the responsiveness of masculinity to social and cultural forces examining the exaggerated world of bodybuilders in Southern California the cross cultural comparisons of male behaviour on a bi national baseball team in Mexico the historical examination of Jews in American sport This book was previously published as a special issue of *Sport in Society*

Toward a New Psychology of Gender Mary M. Gergen, Sara N. Davis, 2013-11-12 Drawn from a brilliant array of voices primarily from psychology but also from other social sciences and humanities this unique reader of creative and intellectually provocative essays investigates the social construction of gender For the past several decades those involved with the study of the psychology of women and gender have been struggling for recognition within the framework of psychology This volume brings together the writings from psychology philosophy psychoanalysis history women's studies education and sociology that critique mainstream thinking and exemplify new ways of creating inquiry

Gender-Based Violence and the Law Agnė Limantė, Artūras Tereškinas, Rūta Vaičiūnienė, 2023-12-06 This book presents a novel and insightful examination of gender based violence inviting readers to consider this topic from various perspectives It encompasses various conceptual discussions and international regulations and trends while concurrently emphasising the legal regulations and practices of select Central and Eastern European

countries Significantly underrepresented in legal scholarship this region has been overlooked and subject to limited comprehensive analyses The authors address different aspects of gender based violence also covering some areas that have received little attention in academic literature such as gender based violence in academia and cyberstalking Furthermore the book incorporates recent empirical studies thereby endowing readers with valuable insights into the specific challenges encountered in the region By contributing to current research on gender based violence in Europe this publication is an invaluable resource for researchers students policymakers and general readers interested in gender based violence and the fight against it in the Central and Eastern European region

Handbook on Gender and Violence Laura J. Shepherd, Containing contributions from leading experts in the field this Handbook explores the many ways gender and violence interact across different contexts and offers a range of disciplinary perspectives This comprehensive volume connects micro level interpersonal violence to macro level structural forms of violence across three discrete but interrelated sections concepts representations and contexts

The Gender Knot Allan Johnson, 2014-10-19 New Third Edition The Gender Knot Allan Johnson s response to the pain and confusion that men and women experience by living with gender inequality explains what patriarchy is and isn t how it works and what gets in the way of understanding and doing something about it Johnson s simple yet powerful approach avoids the paralyzing trap of guilt blame anger and defensive denial that often results from conversations about gender This edition features Updated references data resources and examples especially in relation to issues of sexual orientation and gender identity e g gay marriage transgender cisgender A glossary of terms A new chapter What Changes and What Does Not Manhood and Violence that provides an extended analysis of the causes of men s violence as a patriarchal phenomenon

Charles Bukowski David Charlson, 2006-02-06 Charles Bukowski disliked academics as this academic and readable book points out from page one onward of its introduction Charles Bukowski vs American Ways Begun before Bukowski died in 1994 Charles Bukowski Autobiographer Gender Critic Iconoclast was the first doctoral dissertation on his prose and poetry up to that date and it is offered now for fans and academics alike no more need for black market sales Chapter One Placing Bukowski introduces Bukowski s amazing life and career and relates his work to influential predecessors primarily Ernest Hemingway and John Fante and four contemporaries Raymond Carver Kurt Vonnegut Frederick Exley and Hunter Thompson Chapter Two Bukowski Among the Autobiographers pursues Bukowski s comprehensive autobiographical project Harnessing Timothy Dow Adams concept of strategic lying the chapter follows Bukowski s thinly veiled personae through three stages first through the attention getting Dirty Old Man then responding to the attention and re defining himself finally culminating in Henry Chinaski the hero of Bukowski s five autobiographical novels Chapter Three Problems of Masculinity At Home at Work at Play tackles the knee jerk assessment of Bukowski as just a sexist Dirty Old Man Michael Kaufman s triad of men s violence against women other men and themselves explains the general Bukowski persona as a complicated gender construct Bukowski s Bildungsroman Ham on Rye shows Chinaski as

victim practitioner and critic of male violence with the last role figuring into his other work too Chapter Four Bukowski vs Institution Art classifies this challenging author as both populist and avant garde As general postmodern phenomenon he blends the democratic accessibility of populist writing with the adventurous gesturing of the avant garde and the result is direct daring truthful and funny The book s conclusion Summing Up Giving Bukowski His Due predicts that Bukowski will be read far into the 21st century Buy his books before you buy this one *Managing Professional Identities* Mike Dent, Stephen Whitehead, 2013-04-15 This book addresses the nature of current shifts in professional and managerial knowledge and practice particularly in relation to power and accountability Connecting with current debates concerned with work and identity the book will present a range of theoretical and empirical accounts of the dilemmas and issues facing specialists in various organizational arenas as they seek to adapt to the challenges of organizational and cultural transformation Contributions offer innovative and sophisticated theoretical engagements which draw upon various perspectives including those of post structuralism feminism post marxism and post modernism *Feminism and Masculinities* Peter F. Murphy, 2004-07-15 This reader provides an international mixture of the best classic and recent works that investigate masculinity from a feminist perspective The chapters examine a wide range of topics including gay liberation the men s movement homophobia and the Internet
