A Testament Of Devotion:

A Testament of Devotion Thomas R. Kelly, 1996-08-02 Since its first publication in 1941 *A Testament of Devotion* by the renowned Quaker teacher Thomas Kelly has been universally embraced as a truly enduring spiritual classic. Plainspoken and deeply inspirational, it gathers together five compelling essays that urge us to center our lives on God's presence to find quiet and stillness within modern life and to discover the deeply satisfying and lasting peace of the inner spiritual journey. As relevant today as it was a half century ago, *A Testament of Devotion* is the ideal companion to that highest of all human arts: the lifelong conversation between God and his creatures. I have in mind something deeper than the simplification of our external programs, our absurdly crowded calendars of appointments through which so many pantingly and frantically gasp. These do become simplified in holy obedience and the poise and peace we have been missing can really be found. But there is a deeper, an internal simplification of the whole of one's personality stilled, tranquil in childlike trust, listening ever to Eternity's whisper walking with a smile into the dark.

A Testament of Devotion Thomas R. Kelly, 1993-03-01 Harper's Leader's Guides are a great way to build community, deepen faith, and enrich the spiritual lives of adults. A new addition to these popular leader's guides is *A Testament of Devotion* by Thomas R. Kelly. Features include spiritual and journaling exercises, suggestions for prayer, meditation, worship, and more.

A Testament of Devotion and Thomas Kelly, Augustinian Quaker Guy Aiken, 2021-04-06 Guy Aiken provides a critical appreciation of Quaker mystic Thomas Kelly (1893-1941) and his classic *A Testament of Devotion* (1941). This examination of Kelly's life and devotional writings is largely viewed through an Augustinian lens. Augustine's *Confessions* was a touchstone for Kelly after his mystical transformation in 1937-38. Aiken argues that Kelly's vision of Quakerism transcended religious and historical boundaries while still speaking directly and prophetically to mid-twentieth-century liberal Quakerism and Christianity in the United States. The volume treats in turn Kelly's melding of liberal and evangelical theology, his prophetic call to his contemporaries, and his revival of an ancient ethic, before concluding with helpful suggestions for further research. **A**
