the chain of events that would lead to the depravity of man millennia ago Mankind watches the downward spiral and when there is no other alternative they cry out to God expecting that He will magically turn men s hearts back to Him Prophecy is seldom God telling us what He is going to do Most often it is God through His foreknowledge seeing what is to come and reporting it to us The prophecy of God through John Paul Matthew and the prophets of old is simply God showing us what is to come He is relating for our benefit what is to come as the result of the failure of mankind The Revelation of John is a love letter from God to His people in which He forewarns us of the unchangeable future so that we might prepare ourselves for the inevitability of its appearance In this book the author has tried to rightly divide the truth of this prophecy in relation to the entirety of prophecy so that we might be able to see it unfolding before our eyes and awaken from our sleep to serve the living God *The Popular Biblical Educator: Devoted to the Literature, Interpretation, and Right Use of Holy Scriptures, Etc.
