Jacobs,2024-06-11 Why is it so difficult to remain married in the twenty first century and what can you do about it We all know that half of today s marriages end in divorce but we tend to believe that our own marriages are safe As psychiatrist John Jacobs explains in this fresh and impassioned book marriages today are incredibly fragile and unless a couple understands what is making contemporary marriage so vulnerable

to dissolution the marriage is at risk Part of the problem is that people refuse to see how social and historical forces have changed the very meaning of marriage causing serious interpersonal unhappiness Because of increased longevity married people live together longer than at any time in history There s been an erosion of the social and cultural forces that traditionally kept marriages together Confusion over gender role responsibilities increased expectations of sexual satisfaction and intense time pressures on couples to work and be successful all create marital stress And yet most people don t acknowledge the problems in their marriage until it is too late We tend to believe in the lies of marriage such concepts as soul mates unconditional love that children improve a relationship that the sexual revolution has made marital sex more pleasurable or that egalitarian marriage offers couples easy solutions and forget to engage in the constant hardwork required to keep our marriages alive Dr Jacobs believes that most marriages have significant problems at some time but until we recognize the new realities of marriage and develop the skills required to sustain a loving intimate relationship marriages are at risk Of course marriage is about love But that s just the beginning     Cat Ladies Amanda Armstrong,Christina St. Clair,2025-09-08 Meet the Cat ladies with nothing in common except their love of cats books and wine There s uptight Victoria can she confront the past that catches up with her Is the soft natured Charlotte doomed to forever be a lady in waiting Who or what can soften the glossy veneer of the lascivious Lou Lizzie is sick of being dominated when will her second chance come And Cathy is fed up and unfulfilled is there hope for her Is there hope for any of them Five different women and five different cats but with one aim to strive to a better life Join them on their touching and often hilarious journey to self discovery as this ill matched group of women go from book club to bonding
