

MY COACHING PHILOSOPHY

- I expect to build a program with young men who have good character, self-esteem, self-discipline, and academic achievement. I will teach good work habits, leadership skills, teamwork, commitment, and strive to reach our highest potential.
- To create an atmosphere of pride and to teach each player the importance of attitude, confidence, character, knowledge, goal setting, and how these factors apply to life as well as football.
- To provide a meaningful and learning experience for all participants. We want all participants to be a better person for having taken part in our football program.
- Loyalty in the classroom, school, and community.
- Ensuring classroom behavior, study habits, and performance are a major focus and are except to be the same on the field as off the field.
