*Urban Rehearsals and Novel Plots in the Early American City* Betsy Klimasmith,2021-11-04 *Urban Rehearsals and Novel Plots in the Early American City* sheds new light on the literature of the early US by exploring how literature theatre architecture and images worked together to allow readers to imagine themselves as urbanites even before cities developed In the four decades following the Revolutionary War the new nation was a loose network of nascent cities connected by print Before a national culture could develop local city cultures took shape literary texts played key roles in helping new Americans become city people Drawing on extensive archival research *Urban Rehearsals* argues that literature particularly novels and plays allowed Bostonians to navigate the transition from colonial town to post revolution city enabled Philadelphians to grieve their experiences of the 1793 Yellow Fever epidemic and rebuild in the epidemic s aftermath and showed New Yorkers how the domestic practices that reinforced their urbanity could be opened to the broader public Throughout attention to underrepresented voices and texts calls attention to the possibilities for women immigrants and Black Americans in developing urban spaces while showing how those possibilities would be foreclosed as the nation developed Balancing attention to canonical texts of the early Republic including *The Power of Sympathy* Charlotte Temple and Benjamin Franklin s *Autobiography* with novels whose depiction of early cities deserves greater attention such as *Ormond* *The Boarding School* *Monima* and *Kelroy* this volume shows how US cities developed on the pages and stages of the early Republic building urban imaginations that would construct the nation s early cities

*The Victorian Novel in Context* Grace Moore,2012-06-28 This book introduces students to the Victorian novel and its contexts teaching strategies for reading and researching nineteenth century literature Combining close reading with background information and analysis it considers the Victorian novel as a product of the industrial age by focusing on popular texts including Dickens s *Oliver Twist* Gaskell s *North and South* and Hardy s *The Mayor of Casterbridge* *The Victorian Novel in Context* examines the changing readership resulting from the growth of mass literacy and the effect that this had on the form of the novel Taking texts from the early mid and late

Victorian period it encourages students to consider how serialization shaped the nineteenth century novel It highlights the importance of politics religion and the evolutionary debate in classic Victorian texts Addressing key concerns including realist writing literature and imperialism urbanization and women s writing it introduces students to a variety of the most important critical approaches to the novels Introducing texts contexts and criticism this is a lively and up to date resource for anyone studying the Victorian novel The Modern American Urban Novel Arnold L. Goldsmith,1991 Goldsmith challenges the view that nature is absent in the modern urban novel and interprets the phrase the interweaving of physical description and symbolism metaphor and characterization and theme and imagery that give internal form to external narrative He provides a textual analysis of seven 20th century American novels Manhattan transfer Studs Lonigan Call it sleep The Dollmaker The Assistant The Pawnbroker and Mr Sammler s planet Annotation copyrighted by Book News Inc Portland OR
