Gathering Together Rodney Wallace Kennedy, Derek C. Hatch, 2013-08-27 Concerned to think intentionally about liturgy in Baptist life and thought this book aims to address the practices of Christian worship in a theological light examining how each brings individual Christian believers and communities of faith to a greater understanding and embodiment of the gospel In this mode worship becomes a seamless garment that forms disciples of Christ and opens out toward the world In short theology worship and mission all intersect in the liturgical life of the body of Christ In addition to theological engagement with liturgical practices *Gathering Together* links reflection to praxis by offering sample patterns as a guide for reenvisioning the shape of Baptist and other free church worship

Journey into the Heart of God Philip H. Pfatteicher, 2013-09-23 *Journey into the Heart of God* is a captivating exploration of the history and evolution of the Church Year the cycle of seasons in the Christian tradition that begins with Advent and culminates with Easter and is marked by the celebrations of saints feast days and the reading of Scripture as appointed by the Church Primarily through deft examination of the Western Church Philip H Pfatteicher reveals how the liturgical calendar has been transformed over thousands of years It is a work of art the collaborative achievement of generations of hands and minds He shows how the

church year dramatizes and grounds the strange complexity of the human experience and how it encourages honesty humility growth and maturity in those who live by it Pfatteicher also offers insight into the liturgical texts of the Eucharist the less familiar Daily Office and the people's theology voiced in hymns from a broad spectrum of ancient and modern traditions It will be an indispensable resource for both clergy and laity in the liturgical denominations including Catholicism

Lutheranism and Anglicanism **Images of Baptism** Maxwell E. Johnson, 2001 Ever since the widespread and ecumenical renewal of Christian initiation was begun by the publication of the Rite of Christian Initiation of Adults both Catholic and Protestant ministers and scholars of initiation have for good theological reasons focused on the connection between Easter especially the Easter Vigil and Christian initiation But even if Easter is the center the baptismal tradition of the church is much richer than this In this book Maxwell Johnson offers catechists parishes liturgists pastors religious educators and all who are involved in the church's baptismal ministries a study of some of the key baptismal images and metaphors that scripture and the church's great liturgical traditions hand on to us from back cover **Pre-Nicene Christology in Paschal**

Contexts Dragoş Giulea, 2013-11-01 In Pre Nicene Christology in Paschal Contexts Drago A Giulea re examines the earliest texts related to the festival of Easter in light of Second Temple traditions Commonly portrayed as sacrificial lamb the key actor of the paschal narrative is here designated as heavenly Kabod Divine Image King of the Powers celestial Anthropos Demiurge Son of Man each of these divine names implying a corresponding soteriological function Drago A Giulea indicates as well that the Greek philosophical vocabulary and certain idioms of the mystery religions inspired new categories which reshaped the traditional way of describing the nature of celestial entities and the epistemological capacities able to access these realities Thus the King of the Powers or the Son of Man is several times described as a noetic Anthropos while initiation and noetic perception become the appropriate methods of accessing the divine **The Fullness of Time in a Flat World**

Scott Waalkes, 2010-01-01 Best selling author Thomas Friedman says that globalization has made the world flat and that we cannot stop the process But while it is right to say that globalization tends to flatten our world it is wrong to say that there are no alternatives to current patterns of economic ecological political and cultural integration This book argues that the Christian liturgical calendar provides a constructive alternative to the globalization of economics ecologies politics and cultures It does so by incorporating the church into the fullness of time in the gospel narrative thereby helping us escape from the dead end of Friedman's flat world so that we can improvise healthier ways of being globally integrated Context and Text Kevin W. Irwin, 2018-07-12 One of the most influential works in the debate over the concept and definitions of liturgical theology Context and Text by Monsignor Kevin W Irwin is now available in a completely rewritten new edition In light of the historical theological and pastoral mandates of the Constitution on the Sacred Liturgy Context and Text is both a proposal for and an example of an investigation of the Church's liturgical praxis from a liturgical theological perspective This second edition which includes an expanded introduction covers new liturgical and ecclesial contexts resulting from newly

promulgated liturgies further research in method for liturgical studies consideration for changes in the cultural contexts in which people celebrate the liturgy Besides brand new chapters on time and sacramentality and additions to the chapter on the arts this edition also considers the ongoing texts and contexts of the liturgy as always a new event in the life and ongoing discussion of liturgical theology within Christianity Praying Shapes Believing Ruth A. Meyers, Leonel L. Mitchell, 2016-08-01 2015 marks the 30th anniversary of Lee Mitchell's great standard work on the 1979 Book of Common Prayer As his student protégé and colleague Ruth Meyers takes this classic work and updates it for the Church in its current era and for the future **This Is the Day That the Lord Has Made** Nicholas Denysenko, 2024-05-30 How do Orthodox Christians celebrate Pascha Easter and Christmas What is the purpose of the blessing of waters How does the Orthodox liturgical year compare with Western Christianity Through an analysis of the feasts within the Orthodox Liturgical year Denysenko explores how rituals Bible readings and hymns form part of common festivals such as Lent Holy Week Pascha Christmas and the feasts of Mary He also discusses feasts particular to Orthodox Christianity allowing readers to explore occasions such as the Exaltation of the Cross and the Baptism of Rus and discover the importance of domestic traditions like the Vasilopita and the Sviata Vechera Holy Supper Ideal for interested readers at college level or above This is the Day that the Lord has Made is an excellent guide for all seeking to understand the significance of Orthodox liturgy
