Beyond Bombshells The New Action Heroine In Popular Culture

Susan Fanetti

Beyond Bombshells The New Action Heroine In Popular Culture:

Beyond Bombshells Jeffrey A. Brown, 2015-09-09 *Beyond Bombshells* analyzes the cultural importance of strong women in a variety of current media forms. Action heroines are now more popular in movies, comic books, television, and literature than they have ever been. Their spectacular presence represents shifting ideas about female agency, power, and sexuality. *Beyond Bombshells* explores how action heroines reveal and reconfigure perceptions about how and why women are capable of physically dominating roles in modern fiction, indicating the various strategies used to contain and/or exploit female violence. Focusing on a range of successful and controversial recent heroines in the mass media, including Katniss Everdeen from *The Hunger Games* books and movies, Lisbeth Salander from *The Girl with the Dragon Tattoo* novels and films, and Hit Girl from the *Kick Ass* movies and comic books, Jeffrey A. Brown argues that the role of action heroine reveals evolving beliefs about femininity. While women in action roles are still heavily sexualized and objectified, they also challenge preconceived myths about normal or culturally appropriate gender behavior. The ascribed sexuality of modern heroines remains Brown's consistent theme, particularly how objectification intersects with issues of racial stereotyping, romantic fantasies, images of violent adolescent and preadolescent girls, and neoliberal feminist revolutionary parables. Individual chapters study the gendered dynamics of torture in action films, the role of women in partnerships with male colleagues, young women as well as revolutionary leaders in dystopic societies, adolescent sexuality and romance in action narratives, the historical import of nonwhite heroines, and how modern African American, Asian, and Latina heroines both challenge and are restricted by longstanding racial stereotypes.

Dangerous Curves Jeffrey A. Brown, 2011-04-18 *Dangerous Curves: Action Heroines, Gender Fetishism, and Popular Culture* addresses the conflicted meanings associated with the figure of the action heroine as she has evolved in various media forms since the late 1980s. Jeffrey A. Brown discusses this immensely popular character type, the action heroine, as an example of and challenge to existing theories about gender as a performance identity. Her assumption of heroic masculine traits combined with her sexualized physical depiction demonstrates the ambiguous nature of traditional gender expectations and indicates a growing awareness of more aggressive and violent roles for women. The excessive sexual fetishization of action heroines is a central theme throughout. The topic is analyzed as an insight into the transgressive image of the dominatrix as a reflection of the shift in popular feminism from second-wave politics to third-wave and postfeminist pleasures, and as a form of patriarchal backlash that facilitates a masculine fantasy of controlling strong female characters. Brown interprets the action heroine as a representation of changing gender dynamics that balances the sexual objectification of women with progressive models of female strength. While the primary focus of this study is the action heroine as represented in Hollywood film and television, the book also includes the action heroine's emergence in contemporary popular literature, comic books, cartoons, and video games.

Gender and Action Films 1980-2000 Steven Gerrard, Renée Middlemost, 2022-11-24 *Gender and Action Films 1980-2000* offers insights into the intertwined concepts of

gender and action and how their portrayal developed in the Action Movie genre during the final two decades of the twentieth century A necessity for academics students and lovers of film and media and those interested in gender studies Gender and the Superhero Narrative Michael Goodrum,Tara Prescott-Johnson,Philip Smith,2018-10-01 Contributions by Dorian L Alexander Janine Coleman Gabriel Gianola Mel Gibson Michael Goodrum Tim Hanley Vanessa Hemovich Christina Knopf Christopher McGunnigle Samira Nadkarni Ryan North Lisa Perdigao Tara Prescott Johnson Philip Smith and Maite Ucaregui The explosive popularity of San Diego s Comic Con Star Wars The Force Awakens and Rogue One and Netflix s Jessica Jones and Luke Cage all signal the tidal change in superhero narratives and mainstreaming of what were once considered niche interests Yet just as these areas have become more openly inclusive to an audience beyond heterosexual white men there has also been an intense backlash most famously in 2015 s Gamergate controversy when the tension between feminist bloggers misogynistic gamers and internet journalists came to a head The place for gender in superhero narratives now represents a sort of battleground with important changes in the industry at stake These seismic shifts both in the creation of superhero media and in their critical and reader reception need reassessment not only of the role of women in comics but also of how American society conceives of masculinity Gender and the Superhero Narrative launches ten essays that explore the point where social justice meets the Justice League Ranging from comics such as Ms Marvel Batwoman Elegy and Bitch Planet to video games Netflix and cosplay this volume builds a platform for important voices in comics research engaging with controversy and community to provide deeper insight and thus inspire change Just Wonder Pauline Greenhill,Jennifer Orme,2024-05-15 Inspired by folklore television fairy tales social media novels and films Just Wonder addresses crucial themes in social and ecological justice efforts Moving into the mid twenty first century wonder as a potentially critical sociocultural ecological and individual stance will play a significant role in reconceptualizing the present to imagine a different and better world These essays examine fairy tales and other traditional forms of the fantastic and the real to offer alternative expressions of justice relevant to gender sex sexuality environment Indigeneity class ability race decolonizing and human and nonhuman relations By analyzing fairy tales and wonder texts from various media through an intersectional feminist lens Pauline Greenhill and Jennifer Orme consider how wonder genres and forms blend with diverse conceptions of seeking and enacting justice International collaborators both established and emerging scholars who self identify with different subjectivities locations and generations and come from an impressive range of inter disciplines engage with contemporary and historical texts from various languages and cultural contexts including interventions counterparts and comparisons to the fairy tale Just Wonder offers a critical look at how creative wondering can expand the ability to resist modes of oppression while fostering equity as well as encourage curiosity and imagination In a world that can be overwhelming and precarious this book presents scholarly artistic personal and collective action interventions to identify and respond to injustice while centering wonder and thus imagination questioning and hope Just Wonder will appeal to fairy tale

scholars folklorists students and scholars of film media studies and cultural studies as well as a general audience

Super-Girls of the Future Charlotte J. Fabricius, 2023-10-16 *Super Girls of the Future* Girlhood and Agency in Contemporary Superhero Comics investigates girl superheroes published by DC and Marvel Comics in the first two decades of the twenty first century asking who the new and improved super girls are and what potentials they hold for imagining girls as agents of change in the genre as well as its socio cultural context As super girls have grown increasingly numerous and diverse since the turn of the millennium they provide an opportunity for reconsidering representations of gender and power in the superhero genre This book offers the term agentic embodiment as an analytical tool for critiquing the body politics of superhero comics particularly concerning youth femininity whiteness and violence Grounded in comics studies and informed by feminist cultural studies the book contributes a critical and hopeful perspective on the diversification of a genre often written off as irredeemably conservative and patriarchal *Super Girls of the Future* is a key title for students and scholars of comics studies visual culture US popular culture and feminist criticism

Searching for Feminist Superheroes Sam Langsdale, 2024-09-17 How superhero narratives in the margins of the mainstream tell innovative feminist stories It s no secret that superhero comics and their related media perpetuate a model of a straight white male hero at the expense of representing women and other minorities but other narratives exist *Searching for Feminist Superheroes* recognizes that female led superhero comics with diverse casts of characters and inclusive storytelling exist on the margins of the mainstream superhero genre But rather than focusing on these stories as marginalized Sam Langsdale s work on heroes such as Spider Woman America Chavez and Ironheart locates the margins as a site of innovation and productivity which have enabled the creation of feminist superhero texts Employing feminist and intersectional philosophies in an analysis of these comics Langsdale suggests that feminist superheroes have the potential to contribute to a social imagination that is crucial in working toward a more just world At a time when US popular culture continues to manifest as a battleground between oppressive and progressive social norms *Searching for Feminist Superheroes* demonstrates that a fight for a better world is worthwhile

Supervillains Nao Tomabechi, 2025 This book provides a savvy investigation of the supervillains that appear in superhero comics Exploring villainous archetypes and Otherness in relation to the notion of evil the book investigates how supervillains uphold and solidify but also trouble hegemonic ideals expressed by the heroism of superheroes

Supersex Anna Peppard, 2020-12-08 2021 Comic Studies Society Prize for Edited Collection From Superman and Batman to the X Men and Young Avengers *Supersex* interrogates the relationship between heroism and sexuality shedding new light on our fantasies of both From Superman created in 1938 to the transmedia DC and Marvel universes of today superheroes have always been sexy And their sexiness has always been controversial inspiring censorship and moral panic Yet though it has inspired jokes and innuendos accusations of moral depravity and sporadic academic discourse the topic of superhero sexuality is like superhero sexuality itself seemingly obvious yet conspicuously absent *Supersex* Sexuality Fantasy and the

Superhero is the first scholarly book specifically devoted to unpacking the superhero genre's complicated relationship with sexuality. Exploring sexual themes and imagery within mainstream comic books, television shows, and films, as well as independent and explicitly pornographic productions catering to various orientations and kinks, *Supersex* offers a fresh and lascivious perspective on the superhero genre's historical and contemporary popularity. Across fourteen essays touching on Superman, Batman, the X-Men, and many others, Anna F. Peppard and her contributors present superhero sexuality as both dangerously exciting and excitingly dangerous, encapsulating the superhero genre's worst impulses and its most productively rebellious ones. *Supersex* argues that sex is at the heart of our fascination with superheroes, even and sometimes especially when the capes and tights stay on.

[New Frontiers in Popular Romance](#) Susan Fanetti, 2022-06-07

In the twenty-first century, the romance genre has gained a growing academic response, including the creation of the International Association for the Study of Popular Romance. Popular romance has long been so ignored and maligned that seemingly every scholarly work on it opens with a lengthy defense of the genre and its value for academic study. Even the early scholarly works on the genre approach it in ways that, while primarily respectful, make sweeping generalizations about popular romance, its texts, and its readers. This essay collection examines the position of the romance genre in the twenty-first century and the ways in which romance responds to and influences the culture and community in which it exists. Essays are divided into six sections which cover the genre's relationship with masculinity, the importance of consent, historical romance representation, social status, and web-based romance fiction.
