

BEYOND HITLER'S GRASP

THE HEROIC RESCUE
OF BULGARIA'S JEWS

MICHAEL BAR-ZOHAR

Beyond Hitlers Grasp The Heroic Rescue Of Bulgarias Jews

Lauren Gardner

Beyond Hitler's Grasp The Heroic Rescue Of Bulgarias Jews:

Beyond Hitler's Grasp Michael Bar-Zohar,1998 In the tradition of Schindler's List **Beyond Hitler's Grasp** tells the dramatic true account of the Bulgarian conspiracy to outwit the Germans and keep every one of Bulgaria's Jews from ever being deported Photos

Beyond Hitler's Grasp Mikha'el Bar-Zohar,2001 Chronicles the actions of public and private individuals who independently risked their lives for the rights of others and earned Bulgaria the distinction of being the only Axis aligned country not to deport its Jews Despite the formation of a pro Nazi government and their own version of the Nuremberg laws not one Bulgarian Jew ever left the country Jacket

Bringing the Dark Past to Light John-Paul Himka,Joanna Beata Michlic,2019-06-12 Despite the Holocaust's profound impact on the history of Eastern Europe the communist regimes successfully repressed public discourse about and memory of this tragedy Since the collapse of communism in 1989 however this has changed Not only has a wealth of archival sources become available but there have also been oral history projects and interviews recording the testimonies of eyewitnesses who experienced the Holocaust as children and young adults Recent political social and cultural developments have facilitated a more nuanced and complex understanding of the continuities and discontinuities in representations of the Holocaust People are beginning to realize the significant role that memory of Holocaust plays in contemporary discussions of national identity in Eastern Europe This volume of original essays explores the memory of the Holocaust and the Jewish past in postcommunist Eastern Europe Devoting space to every postcommunist country the essays in **Bringing the Dark Past to Light** explore how the memory of the dark pasts of Eastern European nations is being recollected and reworked In addition it examines how this memory shapes the collective identities and the social identity of ethnic and national minorities Memory of the Holocaust has practical implications regarding the current development of national cultures and international relationships

Religion, Ethnonationalism, and Antisemitism in the Era of the Two World Wars Kevin P. Spicer,Rebecca Carter-Chand,2022-01-15 In the wake of the devastating First World War leaders of the victorious powers reconfigured the European continent resulting in new understandings of nation state and citizenship Religious identity symbols and practice became tools for politicians and church leaders alike to appropriate as instruments to define national belonging often to the detriment of those outside the faith tradition Religion **Ethnonationalism and Antisemitism in the Era of the Two World Wars** places the interaction between religion and ethnonationalism a particular articulation of nationalism based upon an imagined ethnic community at the centre of its analysis offering a new lens through which to analyze how nationalism ethnicity and race became markers of inclusion and exclusion Those who did not embrace the same ethnonationalist vision faced ostracization and persecution with Jews experiencing pervasive exclusion and violence as centuries of antisemitic Christian rhetoric intertwined with right wing nationalist extremism The thread of antisemitism as a manifestation of ethnonationalism is woven through each of the essays along with the ways in which individuals sought to critique religious ethnonationalism and the violence it inspired With case

studies from the United States France Italy Germany Finland Croatia Ukraine and Romania Religion Ethnonationalism and Antisemitism in the Era of the Two World Wars thoroughly explores the confluence of religion race ethnicity and antisemitism that led to the annihilative destruction of the Second World War and the Holocaust challenging readers to identify and confront the inherent dangers of narrowly defined ideologies

Biographical Dictionary of Central and Eastern Europe in the Twentieth Century Wojciech Roszkowski, Jan Kofman, 2016-07-08 Drawing on newly accessible archives as well as memoirs and other sources this biographical dictionary documents the lives of some two thousand notable figures in twentieth century Central and Eastern Europe A unique compendium of information that is not currently available in any other single resource the dictionary provides concise profiles of the region's most important historical and cultural actors from Ivo Andric to King Zog Coverage includes Albania Belarus the Czech and Slovak Republics Hungary Estonia Latvia Lithuania Poland Romania and Moldova Ukraine and the countries that made up Yugoslavia Bulgaria Steven

Otfinoski, 2004 A look at Bulgaria since the fall of communism **A Concise History of Bulgaria** R. J. Crampton, 2005-11-24 Bulgaria became a member of the European Union in 2007 yet its history is amongst the least well known in the rest of the continent R J Crampton provides here a general introduction to this country at the cross roads of Christendom and Islam The text and illustrations trace the rich and dramatic story from pre history through the days when Bulgaria was the centre of a powerful medieval empire and the five centuries of Ottoman rule to the cultural renaissance of the nineteenth century and the political upheavals of the twentieth century which led Bulgaria into three wars This updated edition includes the years from 1995 to 2004 a vital period in which Bulgaria endured financial meltdown set itself seriously on the road to reform elected its former King as prime minister and finally secured membership of NATO and admission to the European Union Balkan Smoke Mary C. Neuburger, 2012-10-04 This fascinating book explores the history of tobacco and tobacco culture in Bulgaria from the mid 19th century when the country became partially and then fully independent from the Ottoman Empire to the postcommunist present Neuburger argues convincingly that smoking and the production of tobacco products played an important if not the key part in Bulgaria's political economic and cultural modernization during this period Summing Up Highly recommended Choice In Balkan Smoke Mary C Neuburger leads readers along the Bulgarian Ottoman caravan routes and into the coffeehouses of Istanbul and Sofia She reveals how a remote country was drawn into global economic networks through tobacco production and consumption and in the process became modern In writing the life of tobacco in Bulgaria from the late Ottoman period through the years of Communist rule Neuburger gives us much more than the cultural history of a commodity she provides a fresh perspective on the genesis of modern Bulgaria itself The tobacco trade comes to shape most of Bulgaria's international relations it drew Bulgaria into its fateful alliance with Nazi Germany and in the postwar period Bulgaria was the primary supplier of smokes the famed Bulgarian Gold for the USSR and its satellites By the late 1960s Bulgaria was the number one exporter of tobacco in the

world with roughly one eighth of its population involved in production Through the pages of this book we visit the places where tobacco is grown and meet the merchants the workers and the peasant growers most of whom are Muslim by the postwar period Along the way we learn how smoking and anti smoking impulses influenced perceptions of luxury and necessity questions of novelty imitation value taste and gender based respectability While the scope is often global Neuburger also explores the politics of tobacco within Bulgaria Among the book s surprises are the ways in which conflicts over the tobacco industry and smoking help to clarify the forbidding quagmire of Bulgarian politics

The Holocaust Encyclopedia Baumel Judith Tydor Laqueur Walter, Walter Laqueur, Judith Tydor Baumel, 2001 The Holocaust has been the subject of countless books works of art and memorials Fiftyfive years after the fact the world still ponders the enormity of this disaster The Holocaust Encyclopedia is the only comprehensive single volume work of reference providing both a reflective overview of the subject and abundant detail concerning major events policy decisions cities and individuals Up to date and designed for easy access the encyclopedia presents information on the major aspects of the Holocaust in essays by scholars from eleven countries who draw on a number of sources including recently uncovered evidence from the former Soviet bloc to provide in depth studies on the political social religious and moral issues of the Holocaust as well as short entries identifying events sites and individuals The book also has more than 250 photographs many of them rare and 19 maps The volume includes Raul Hilberg on concentration camps and Gypsies Ruth Bondy Israel Gutman and Dina Porat on major ghettos Roger Greenspan on the Holocaust in cinema and television Richard Breitman on American policy Michael Berenbaum on theological and philosophical responses Saul Friedlander on Nazi policy Michael Hagemester on the Protocols of the Elders of Zion Michael R Marrus on historiography Christopher R Browning on the Madagascar Plan Robert S Wistrich on Holocaust denial James E Young on Holocaust literature

East Central European Migrations During the Cold War Anna Mazurkiewicz, 2019-05-06 An extremely useful and much needed survey Over eleven chapters authors from eight countries cover the complex history of migration from the perspective of Central and Eastern Europe between 1945 and 1993 Following in the footsteps of Klaus Bade s *Encyclopedia of European Migrations* the authors make extensive use of sources in national languages while providing an extensive overview of population movements in the region between the Baltic Black and Adriatic Seas The individual chapters shed light on phenomena overlooked in other volumes including individual state reactions to various migratory phenomenon and the political economic and ideological consequences of human movement The chapters of this volume are uniform not only in their informative nature but also in suggesting new pathways for in depth research Adam Walaszek Jagiellonian University Krak w Poland Eastern Europe is an emblematic space of mobility and its Cold War history cannot be told without considering migration from and into the countries of the region This volume comes at a timely moment and provides a uniquely comprehensive account full with useful information for further research It will be a must read both for migration studies scholars and for area specialists Ulf Brunnbauer Leibniz Institute for East and

Southeast European Studies Regensburg Germany The Handbook is a gift to students of migration on three counts It gathers the expertise of scholars fluent in the languages and familiar with the archives of Eastern and Central Europe Thus it brings the multi layered and complex histories of movement beyond the flat descriptor of Soviet bloc or Eastern European migrations The Handbook is both rich and lucid presenting in depth materials on the European twentieth century on one hand and organizing each chapter in a similar way offering the reader transparently comparable histories From Estonia south to Albania and from the USSR west to the GDR each chapter elucidates a complex migration history distinguished by national politics ethnic composition and economics moving from the cataclysmic impacts of World War II to the international migrations and politics of Cold War movement as well as the politics of Cold War emigrants themselves Each chapter ends with an epilogue on post 1989 international migrations and a valuable addendum on published and archival sources Finally the Handbook models the kind of high quality work produced by international scholarly cooperation at its best Leslie Page Moch Michigan State University Table of contents Introduction Anna Mazurkiewicz Albania Agata Domachowska Baltic States Estonia Latvia and Lithuania Pauli Heikkil Bulgaria Detelina Dineva Czechoslovakia Michael Cude and Ellen Paul Germany Bethany Hicks Hungary Katalin K d r Lynn Poland S awomir ukasiewicz Romania Beatrice Scutaru Ukraine Anna Fi USSR Alexey Antoshin Yugoslavia Brigitte Le Normand
