From the Foreword by John Piper **Beyond the Bounds** John Piper, 2007 *The Future of Open Theism* Richard Rice, 2020-04-28 Evangelical theology has grappled with open theism and its alternative doctrine of God for decades Richard Rice recounts the history of open theism from its antecedents and early developments to its more recent expressions considering how it might continue to develop in relation to several primary doctrines of the Christian faith Reformed Resurgence Brad Vermurlen, 2020-11-02 One of the biggest movements in American Christianity especially among younger evangelicals is a groundswell of interest in the Reformed tradition In *Reformed Resurgence* Brad Vermurlen provides a comprehensive sociological account of this New Calvinist phenomenon and what it entails for the broader evangelical landscape in the United States **Four Views on the Spectrum of Evangelicalism** Kevin Bauder, R. Albert Mohler, Jr., John G. Stackhouse, Jr., Roger E. Olson, 2011-10-04 Understand the history core values and divisions as they've developed within the Evangelical Christian movement *Four Views on the Spectrum of Evangelicalism* compares and contrasts four distinct positions on the current fundamentalist evangelical spectrum Each contributor offers their case for one of four primary views Fundamentalism defended by Kevin T Bauder Conservative confessional evangelicalism defended by R Albert Mohler Jr Generic evangelicalism defended by John G Stackhouse Jr Postconservative evangelicalism defended by Roger E Olson Each author explains and defends his position which is critiqued by the other three authors The *Counterpoints* series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion *Risk Is Right* John Piper, 2013-01-31 A choice lies before you Either waste your life or live with risk Either sit on the sidelines or get in the game After all life was no cakewalk for Jesus and he didn't promise it would be any easier for his followers We shouldn't be surprised by resistance and persecution Yet most of us play it safe We pursue comfort We spend ourselves to get more stuff And we prefer to be entertained We are all tempted by the idea of security the possibility of a cozy Christianity with no hell at the end But what kind of life is that really It's a far cry from adventurous and abundant from truly rich and really full and it's certainly not the heights and the depths Jesus calls us to Discover in these pages a foundation for fearlessness Hear God's promise to go with you into the unknown And let *Risk Is Right* help you see the joys of a faith filled and seriously rewarding life of Jesus dependent abandon *Risk Is Right* is a significantly expanded version of a chapter previously published in the book *Don't Waste Your Life* chapter 5 *The Routledge Research Companion to the History of Evangelicalism* Andrew Atherstone, David Ceri Jones, 2018-07-11 Evangelicalism an inter denominational religious movement that has grown to become one of the most pervasive expressions of world Christianity in the early twenty first century had its origins in the religious revivals led by George Whitefield John Wesley and Jonathan Edwards in the middle decades of the eighteenth century With its stress on the Bible the cross of Christ conversion and the urgency of mission it quickly spread throughout the Atlantic world and then became a global phenomenon

Over the past three decades evangelicalism has become the focus of considerable historical research. This research companion brings together a team of leading scholars writing broad ranging chapters on key themes in the history of evangelicalism. It provides an authoritative and state of the art review of current scholarship and maps the territory for future research. Primary attention is paid to English speaking evangelicalism but the volume is transnational in its scope. Arranged thematically, chapters assess evangelicalism and the Bible, the atonement, spirituality, revivals and revivalism, worldwide mission in the Atlantic North and the Global South, eschatology, race, gender, culture and the arts, money and business, interactions with Roman Catholicism, Eastern Christianity and Islam, and globalization. It demonstrates evangelicalism's multiple and contested identities in different ages and contexts. The historical and thematic approach of this research companion makes it an invaluable resource for scholars and students alike worldwide.

Christianity is the world's most global faith. Meanwhile evangelical Christianity is the world's fastest growing major religion in terms of conversion growth. And yet at the dawn of the third millennium the church's primary task to go and make disciples of all nations remains undone. *Missions in the Third Millennium* charts twenty one trends both positive and negative with continuing significance for the Great Commission community in the twenty first century. Revised and updated to include two new chapters on urban missions and evangelizing Muslims, this up to date volume offers insights to help students, churches, missionaries, agencies and Christians from outside the West grasp the big picture and take practical steps for more effective involvement. This edition contains extensive notes, expanded suggestions for further reading and discussion questions.
