**John P. Langellier**

## **Buffalo Soldier Renegade:**

*Buffalo Soldier: Renegade* Charles Ray, 2013-05-01 Sergeant Ben Carter of the Ninth US Cavalry is assigned the mission of chasing a group of renegade Apache warriors who have left the reservation. Unfortunately, most of his detachment is still on leave resting from their last mission, and he is only left with a group of raw recruits who have never been in the field. As his hastily organized unit follows the renegades through the Sangre de Cristo Mountains north of the Colorado territory, Ben must somehow mold them into an effective fighting unit or risk something he is not used to face before losing a man in battle.

*The Life and Times of the Buffalo Soldiers* Joey L. Bowser Sr., 2019-01-23 To be told you are unable to do something is a misconception. To spend your whole life trying to prove something is unfortunate. Mid 1800s. What we have here is a woman, a mother with children thrust into a life-changing situation that is now out of her control. American law is viewed or looked upon like it has never been before. Buffalo Soldiers serving their country, stamping their mark on American soil and earning respect from those who had opposed them. All these strangers to one another come together in this story. They will love, fight, and disagree, but in the end, they will make history.

**The Buffalo Soldier** Chris Bohjalian, 2003-03-11 NATIONAL BESTSELLER With his trademark emotional heft and storytelling skill, the bestselling author of *The Flight Attendant* presents a resonant novel about the unconventional family that forms after Terry and Laura Sheldon, a Vermont storm trooper and his wife, grieving the loss of their twin daughters, take in a foster child. His name is Alfred; he is ten years old and African American. And he has passed through so many indifferent families that he can't believe that his new one will last. In the ensuing months, Terry and Laura will struggle to emerge from their shell of grief, only to face an unexpected threat to their marriage. Terry's involvement with another woman. Meanwhile, Alfred cautiously enters the family circle and befriends an elderly neighbor who inspires him with the story of the Buffalo Soldiers, the black cavalrymen of the old West. Out of the entwining and unfolding of their lives, *The Buffalo Soldier* creates a suspenseful, moving portrait of a family infused by Bohjalian's moral complexity and narrative assurance. Look for Chris Bohjalian's new novel *The Lioness*.

**Scouting with the Buffalo Soldiers** John P. Langellier, 2020-10-15 On a hot summer's day in Montana, a daring frontier cavalry officer, Powhatan Henry Clarke, died at the height of his promising career. A member of the U.S. Military Academy's Class of 1884, Clarke graduated dead last and while short on academic application, he was long on charm and bravado. Clarke obtained a commission with the black troops of the Tenth Cavalry, earning his spurs with these Buffalo Soldiers. He evolved into a fearless field commander at the troop level, gaining glory and first-hand knowledge of what it took to campaign in the West. During his brief, action-packed career, Clarke saved a black trooper's life while under Apache fire and was awarded the Medal of Honor. A chance meeting brought Clarke together with artist Frederic Remington, who brought national attention to Clarke when he illustrated the exploit for an 1886 *Harper's Weekly*. The officer and artist became friends, and Clarke served as a model and consultant for future artwork by Remington. Remington's many depictions of Clarke added greatly to the

cavalryman's luster. In turn, the artist gained fame and fortune in part from drawing on Clarke as his muse. The story of these two unlikely comrades tells much about the final stages of the Wild West and the United States' emergence on the international scene. Along the way, Geronimo, the Apache Kid, Texas John Slaughter, and others played their roles in Clarke's brief but compelling drama.

*Buffalo Soldiers in the West* Bruce A. Glasrud, Michael N. Searles, 2007-08-15 In the decades following the Civil War, scores of African Americans served in the U.S. Army in the West. The Plains Indians dubbed them buffalo soldiers, and their record in the infantry and cavalry, a record full of dignity and pride, provides one of the most fascinating chapters in the history of the era. This anthology focuses on the careers and accomplishments of black soldiers, the lives they developed for themselves, their relationships to their officers, most of whom were white, their specialized roles, such as that of the Black Seminoles, and the discrimination they faced from the very whites they were trying to protect. In short, this volume offers important insights into the social, cultural, and communal lives of the buffalo soldiers. The selections are written by prominent scholars who have delved into the history of black soldiers in the West. Previously published in scattered journals, the articles are gathered here for the first time in a single volume, providing a rich and accessible resource for students, scholars, and interested general readers. Additionally, the readings in this volume serve in some ways as commentaries on each other, offering in this collected format a cumulative mosaic that was only fragmentary before. Volume editors Glasrud and Searles provide introductions to the volume and to each of its four parts, surveying recent scholarship and offering an interpretive framework. The bibliography that closes the book will also commend itself as a valuable tool for further research.

**The Buffalo Soldiers** Debra J. Sheffer Ph.D., 2015-03-24 This riveting narrative focuses on the Buffalo Soldiers, tracing the legacy of black military service and its social, economic, and political impact from the colonial era through the end of the 19th century. This fascinating saga follows the story of the Buffalo Soldiers as they participated in key events in America's history. Author Debra J. Sheffer discusses the impetus for the earliest black military service, how that service led to the creation of the Buffalo Soldiers, and how these men and one woman continued to serve in the face of epic obstacles. The work celebrates their significant military contributions to the campaigns of the American frontier and other battles, their fighting experiences, and life on the plains. Starting with the American Revolution, the book traces the heroic journey of these legendary servicemen from the period when black Americans first sought full citizenship in exchange for military service to the integration of the military and the dissolution of all black regiments. Several chapters highlight the special achievements of the 9th and 10th United States Cavalry and the 24th and 25th United States Infantry. The book also features the accomplishments both of the unit and individuals of the Buffalo Soldiers in battle and beyond.

*The Buffalo Soldier Chronicles* Robert J. Harper, 2010-07-14 *Buffalo Soldiers* Tom Willard, 1997-02-15 From the Civil War to Desert Storm, there stretches an unbroken line of dedicated, distinguished service by African Americans in the United States military. Buffalo Soldiers is a tribute to the bravery, honor, and sacrifice of these black American fighting men. Sergeant Major

Augustus Sharps of the 10th Cavalry and other former slaves had proven that they could fight valiantly for their freedom but in the West they were to fight for the freedom and security of white settlers who often despised them The Cheyenne thought the hair of this new kind of soldier resembled buffalo hides and the men on the 9th and 10th Cavalry became known as buffalo soldiers

**A Buffalo Soldier's Story** William A. Aleshire, 2004-01-01 This is the life story of Sergeant Thomas Boyne a native of Prince George's County Maryland who joined the 2nd Light Artillery Company B of the United States Colored Troops at Point Lookout Maryland on February 5 1864 and went on to receive our nation's highest military award the Medal of Honor while serving in the 9th United States Cavalry during the Indian Wars This is also the story of Boyne's comrades African American Buffalo Soldiers and the officers who commanded his various assigned units who helped to open and preserve the West while performing their military duty for their country This is a story that needs to be told The integration of official government records historical events and newspaper articles enhance this comprehensive look at the struggles endured by Sergeant Thomas Boyne and other African Americans who served their country during this period Sergeant Thomas Boyne's entire military career is covered in precise detail Careful transcriptions of original muster rolls for the period covered include Muster Roll Records and Returns for Company B 2nd Light Artillery United States Colored Troops Company K 40th United States Infantry and Company F 25th United States Infantry Company C 9th United States Cavalry Company L 9th United States Cavalry and Company H 25th United States Infantry Specific details from a variety of pertinent documents orders acts and news articles as well as an abundance of names numerous vintage photographs illustrations a bibliography and an every name index make this book a MUST for historians and genealogists

Blackeagle Russell T. Wild, 2002-04-22 During a time in American Southwestern history when myths heroes legends and folklore spread across the nation like wildfire along came a person who was equal to every story that was told about him Through fate time and circumstance Blackeagle's name would live forever among the legendary accounts of both the U S Cavalry and Indian Nations of the New Mexico Territory

## Unveiling the Power of Verbal Art: An Mental Sojourn through **Buffalo Soldier Renegade**

In some sort of inundated with monitors and the cacophony of immediate connection, the profound energy and emotional resonance of verbal art usually disappear in to obscurity, eclipsed by the constant barrage of noise and distractions.
