Amazon Natalie Berg, Miya Knights, 2019-01-03 What is the secret to Amazon's success? What does the ecommerce giant have in store for the future? Explore the disruptive new retail strategies of the world's most relentless retailer and gain valuable lessons that can be applied to any business in the ecommerce sector with original insight from the company as it continues to revolutionize itself even further. The retail industry is facing unprecedented challenges. Across all sectors and markets, retailers are shifting their business models and customer engagement strategies to ensure they survive. The rise of online shopping and its primary player, Amazon, is at the heart of these changes and opportunities. Amazon's relentless dissatisfaction with the status quo is what makes it such an extraordinary retailer. This book explores whether Amazon has what it takes to become a credible grocery retailer and as it transitions to bricks and mortar retailing, investigates whether Amazon's stores can be as compelling as its online offering. Exploring the ecommerce giant's strategies, Amazon offers unique insight into how innovations such as voice technology, checkout-free stores, and its Prime ecosystem will fundamentally change the way consumers shop. Written by industry-leading retail analysts who have spent decades providing research-based analysis and opinion on retail strategy and enterprise technology use in retail, Amazon analyzes the impact these initiatives will have on the wider retail sector and the lessons that can be learned from its unprecedented rise to dominance as stores of the future become less about transactions and more about experiences. Face Off Alicia Hunter Pace, 2017-07-24 USA

TODAY bestselling author Alicia Hunter Pace launches a brand new sports romance series Nashville Sound featuring some fan favorites finding true love. Emile Giroux has vowed he will be everything his stepfather is not: cultured, charming, sophisticated, and above all else, a rich, successful NHL star. One of the top goalies in the league, the French Canadian strives for more, still haunted by his troubled childhood. Amy Callahan was a freelance professional organizer until an ambitious, domineering boyfriend took over her life and cleaned out her bank account. Once indispensable to the stars, Amy now finds herself with no money, no house, no phone, and nowhere to go. When Emile finds Amy literally kicked to the curb, he seizes his latest chance to rescue a damsel in distress. Only Amy doesn't want to play that game. In fact, she's determined to put men on ice in her life permanently. Can they find a way to let love win?
