Apocalyptic Faith and Political Violence J. Rinehart, 2006-09-02 This study examines the functional relationship between millenarian inspired terrorism and the process of political change Through an exhaustive investigation of late Twentieth century movements Aum Shinrikyo Sendero Luminoso and Hezbollah it concludes that in each case apocalyptic expectations performed a significant group mobilization leadership and therapeutic function *The Bloomsbury Handbook of Apocalypticism and Millennialism* Tristan Sturm, Andrew Crome, 2025-10-16 In an age shadowed by pandemics climate catastrophe authoritarian resurgence and existential technological threats *The Bloomsbury Handbook of Apocalypticism and Millennialism* offers a timely and indispensable exploration of how societies make sense of their Ends and their hoped for new beginnings This ground breaking volume gathers leading scholars to trace the evolution meanings and enduring potency of apocalyptic and millennial ideas across religious secular and cultural landscapes From ancient revelatory texts to contemporary political movements and popular culture the book dissects how these concepts function not just as prophecies of doom but as frameworks for resistance renewal and transformation Through meticulous historical analysis and bold theoretical interventions the contributors interrogate core debates from the distinctions between apocalypticism and millennialism to their radical entanglements with justice space temporality and morality This volume dismantles simplistic portrayals of End Times thinking revealing instead its nuanced world shaping logic Whether manifest in religious movements or global politics apocalypse is no longer a marginal concern it is the defining hermeneutic of our times Scholarly provocative and urgent this Handbook is essential reading for researchers students and anyone seeking to understand how humanity envisions and enacts its endings and potentially new beginnings **Reconceiving Religious Conflict** Wendy Mayer, Chris L. de Wet, 2018-01-17 *Reconceiving Religious Conflict* deconstructs instances of religious conflict within the formative centuries of Christianity the first six centuries CE It explores the theoretical foundations of religious conflict the dynamics of religious conflict within the context of persecution and martyrdom the social and moral intersections that undergird the phenomenon of religious conflict and the relationship between religious conflict and religious identity It is unique in that it does not solely focus on religious violence as it is physically manifested but on religious conflict and tolerance looking too at dynamics of religious discourse and practice that often precede and accompany overt religious violence *Religious Conflict from Early Christianity to the Rise of Islam* Wendy Mayer, Bronwen Neil, 2013-08-29 Conflict has been an inescapable facet of religion from its very beginnings This volume offers insight into the mechanisms at play in the centuries from the Jesus movement's first attempts to define itself over and against Judaism to the beginnings of Islam Profiling research by scholars of the Centre for Early Christian Studies at Australian Catholic University the essays document inter and intra religious conflict from a variety of angles Topics relevant to the early centuries range from religious conflict between different parts of the Christian canon types of conflict the origins of conflict strategies for winning for conflict resolution and the emergence of

a language of conflict For the fourth to seventh centuries case studies from Asia Minor Syria Constantinople Gaul Arabia and Egypt are presented The volume closes with examinations of the Christian and Jewish response to Islam and of Islam s response to Christianity Given the political and religious tensions in the world today this volume is well positioned to find relevance and meaning in societies still grappling with the monotheistic religions of Judaism Christianity and Islam

Millennialism, Millerites, and Prophecy in Bahá'í Discourse William P. Collins, 2025-09-22 This book explores the role of millennialism the Millerites and prophecy in the historical development of the Bah faith especially in North America The author demonstrates the importance of the Bah religion to millennialism studies and its connection to certain Protestant American and Shia Islamic modes of thought Bah s see two millennial visions on far separated continents within different religious milieux and from contrasting social climates as spiritually and prophetically linked the Millerites who expected the return of Christ in 1844 CE and Shia Muslims who expected the Mahd Q im Twelfth Imam in 1260 AH 1844 CE The chapters in this volume reflect on theories about millennialist movements the continuum from catastrophic to progressive millennialism Bah interpretations of biblical prophecy and Bah efforts to build the Kingdom of God on earth under a systematic divine plan The book highlights the maturation of the Bah community toward a focus on process and a capacity to deal with both catastrophe and progress It provides scholars of religion with a detailed study of the trajectory in Bah millennial ideas

Stop the Machines Mauro Lubrano, 2025-07-11 As we stand on the cusp of an AI revolution will we see the rise of a new anti technology extremism that threatens to dismantle the gains of modern civilization In the first exploration of this phenomenon Mauro Lubrano traces the origins and evolution of anti technology violence across the globe He identifies three main groups fuelling such resistance insurrectionary anarchists eco extremists and eco fascists Exploring the justifications that underlie the opposition to technology and the strategies employed

to stop the machines he shows how anti tech extremism has emerged as a reaction to the Anthropocene an attempt to undo the epoch of human domination The intellectual flexibility of this ideology lends itself to different causes from the class struggle against the techno elites to the defence of nature and white supremacy With fears about the risks of artificial intelligence mounting and the world beset by serious polycrises what is currently a fragmented fringe phenomenon holds the potential for dramatic escalation

The Oxford Handbook of Ethnicity, Crime, and Immigration Sandra M.
