

The background of the cover features a detailed, light-colored illustration of a winged figure, likely an angel or a personification of death, riding a horse. The figure is draped in a long, flowing robe and holds a scythe. The horse is depicted in a dynamic, galloping pose. The entire scene is rendered in a style reminiscent of classical religious art, with fine lines and shading. The illustration is set against a light beige background and is framed by a thin, dark teal border.

Apocalyptic Literature, 1995 **The Apocalyptic Literature** Prof. Stephen L. Cook, 2011-09-01 Biblical texts create worlds of meaning and invite readers to enter them When readers enter such textual worlds which are strange and complex they are confronted with theological claims With this in mind the purpose of the IBT series is to help serious readers in their experience of reading and interpreting by providing guides for their journeys into textual worlds The focus of the series is not so much on the world behind the text as on the worlds created by the texts in their engagement with readers Nowhere is the world of the biblical text stranger than in the apocalyptic literature of both the Old and New Testaments In this volume Stephen Cook makes the puzzling visions and symbols of the biblical apocalyptic literature intelligible to modern readers He begins with definitions of apocalypticism and apocalyptic literature and introduces the various scholarly approaches to and issues for our understanding of the text Cook introduces the reader to the social and historical worlds of the apocalyptic groups that gave rise to such literature and leads the reader into a better appreciation and understanding of the theological import of biblical apocalyptic literature In the second major section of the book Cook guides the reader through specific examples of the Bible's apocalyptic literature He addresses both the best known examples the biblical books of Daniel and Revelation and other important but lesser known examples Zechariah and some words of Jesus and Paul Joel's Use of Scripture And the Scripture's Use of Joel John Strazicich, 2007 This work focuses on the appropriation and resignification of scripture in Joel and its NT Nachleben where Israel's literature functions as an authoritative medium of refraction The purpose is to recover the canon's unrecorded hermeneutics at the intersection of both diachronic and synchronic textual surfaces **Interpreting Apocalyptic Literature** Richard A. Taylor, 2016-07-27 An appreciation for the rich diversity of literary genres in Scripture is one of the positive features of evangelical scholarship in recent decades David M Howard Jr series editor At one time Old Testament apocalyptic literature was relegated to the more obscure reaches of biblical scholarship acceptable to occasionally refer to but too thorny to delve into deeply However in recent decades it has moved to the forefront of research The rich veins of insight to be mined in the book of Daniel and other apocalyptic texts are being rediscovered Richard A Taylor has crafted a handbook to explore those riches and uncover a way to understand apocalyptic literature more fully Taylor begins with a helpful introduction to the genre surveys the purpose message and primary themes of Old Testament apocalyptic literature and then discusses critical questions and key works for further study He also provides guidelines for interpreting apocalyptic texts followed by Old Testament passages that serve to illustrate those guidelines While primarily written for pastors and graduate students *Interpreting Apocalyptic Literature* is nonetheless accessible to those who simply want to study the texts more deeply than previously possible *Reader's Guide to Literature*

in English Mark Hawkins-Dady,2012-12-06 Reader s Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study A Reader's Guide to Contemporary Literature William Swan Sonnenschein,1895

Interpreting the New Testament Text Darrell L. Bock,Buist M. Fanning,2006-10-20 With the explosive increase in availability of English Bible translations the question can easily be asked Why bother with the hard work of biblical exegesis Computers can translate foreign languages and our English texts can take us very close to the original meanings so why exegete Answer because the deepest truths of the Bible are found through the deepest study This book teaches the principles methods and fundamentals of exegeting the New Testament It also has examples of textual exegesis that clearly and helpfully show the value of exegeting a text well Any serious student of Scripture would benefit from utilizing this book in the study of the Bible *Revelation: a Reader's Companion* Michael Cannon Loehrer,2018-11-28 Revelation A Reader s Companion Preserving Perspective This book is the sixth in a series of scriptural novels It concludes with the aged apostle John helping churches preserve the perspective that Jesus Christ is King of kings and Lord of lords to the glory of God the Father Scriptural novels present a problem when weaving fact with fiction leaving readers wondering exactly what is true which betrays my purpose to grasp the truths of eternal life Yet I hope a living encounter with the historical setting such as I offer will provide a framework for grappling with the meaning of Scripture in personal terms
