Beyond the Valley Dave Branon,2020-10-06 This 40 day reading offers assurance that you are not alone in your grief and doubts that God delivers on His promises and that He is the ultimate source of answers *God is Enough* M.E.

Louis,2017-12-03 Where do you go when life as you know it is turned completely upside down It happened to me The life I knew and loved vanished on August 7 2013 when my college sweetheart and husband of 33 years chose to end his life There are not words to describe my shock and devastation Though I was surrounded with wonderful loving people none of them could restore the half of me that died that day This was a God sized task This is my journey through shock grief mourning and healing It is the very personal and profound journey I took to ultimately discover that no matter how deep your pain God is always there and He is enough If you are grieving God Is Enough will give you hope I understand what you are going through and I am here to share my message of hope healing and faith *NIV, Hope in the Mourning Bible*

Zondervan,2013-11-26 WHEN A CASSEROLE OR A GREETING CARD ISN T ENOUGH Grief is one of life s toughest challenges During such times it is difficult to know where to turn Yet in the midst of your deepest despair God reveals Himself and His promises for a better tomorrow The NIV Hope in the Mourning Bible works to bring a peaceful sense in the midst of the coldest winter that spring will one day come again The collection of devotions and prayers warmly offer inspiration and hope based in God s Word and his promises to those who have lost loved ones This Bible emphasizes the love and hope that your Lord has for you even during your darkest days Features Complete text of the NIV the world s most popular modern English Bible Daily devotions written for and by those who have experienced the loss of a loved one or who are helping a loved one through extended terminal illness A prayer appendix featuring 52 prayers based on the book of Psalms Short reflections and song lyrics for meditation Resources list containing information for those seeking additional help **Grieving the Loss of a Child** Dale Rose,2016-08-08 No one should have to experience the death of a child but

many go through the deep pain and anguish There are no words that can describe the ache and agony This book is short but precise and written to guide those who have lost a child and in the process of dealing with grief The book also gives pointers and advice for those who are willing to reach out and help others through one of the most difficult experiences a human being can walk through This book is a must read for those who are suffering from the loss of a child as well as anyone who helps to minister to those grieving It may also be used as a tremendous tool in a group therapy class or setting You will find this book to be very open honest transparent and candid in nature **Peace through Prayer** James Banks,2024-04-02

Come to me all of you who are weary and carry heavy burdens and I will give you rest Matthew 11 28 NLT When we think about what Jesus s words promise and who is actually saying them they become some of the most welcoming words ever spoken In a world that is unraveling with anxiety and stress no one less than Jesus offers us His peace Yet it s hard to feel peaceful while waiting for a biopsy result grieving a lost relationship or walking through unemployment How do we receive

and enjoy the peace God offers during hard times The answer is prayer that is an everyday heart to heart relationship with the Creator With scriptural insights and inviting storytelling James Banks shows how daily friendship with God brings us peace as we experience anxieties suffer past hurts and face chronic difficulties The peace Jesus offers us is more than just words It s healing for our hurts and calm for our troubled hearts It s love and acceptance when others misunderstand us and push us away It s the freedom of a new identity in Him defined not by how good we are but by how good He is Through prayer God transforms the way His followers see themselves and others
