Methodist Worship John Bishop, 2017-04-25. The first part of this book presents a detailed survey of the worship of the Methodist Church. It examines the eighteenth century sources, traces the historical development of distinctive Methodist services such as the Covenant, the Watchnight and the Lovefeast, considers the Methodist doctrine of the Sacraments and deals with the place of hymns in Methodist worship. The second part of the book deals with the place and function of form and order in a service of public worship as conducted in the Free Churches and proceeds to consider the various elements that make up such a service: the hymns, prayers, lessons, sermon and sacraments. A study of this book will serve as a reminder of the two-fold tradition of the people called Methodists with regard to form of worship which has been both liturgical and free and it will help preachers and congregations to engage in public worship with a deeper understanding.

Whose Sacrifice is the Eucharist? Stephen B. Sours, 2024-07-26. This book explores what Catholics and Methodists believe about eucharistic sacrifice. Eucharistic sacrifice refers to the offering that Christ and his church make in the celebration of the Lord

s Supper It is therefore both a Christian doctrine and a church practice The sacrificial dimension of the sacrament comes both from Christ s sacrifice on the cross and from his self offering at the Last Supper in which Christ gives himself to the Father on behalf of his people This is my body which is given for you Luke 22 19 The eucharist is a sacrificial meal because in the bread and cup Christians are united to the body and blood of Christ that was sacrificed for them on the cross Moreover the resurrected Lord is really present with his people in the eucharist and while his historic crucifixion is an event in the past Jesus salvation continues and his grace is given to his people in the sacrament for this is my blood of the covenant which is poured out for many for the forgiveness of sins Matthew 26 28 Catholics and Methodists believe that Jesus instructs his followers to repeat his words and actions from the Last Supper in their celebration of the eucharist but a long running assumption is that Catholics and Methodists following the historic Reformation schism are deeply divided over eucharistic sacrifice This book challenges that assumption by analyzing what these churches teach on eucharistic sacrifice from historical sacramental liturgical and ecumenical perspectives Key figures like Thomas Aquinas and John Wesley help define eucharistic sacrifice in each tradition Subsequently authoritative texts such as ecclesial statements eucharistic prayers and hymns further specify what Catholics and Methodists believe they are doing when they offer the eucharist to God Sours argues that far from being divided Catholics and Methodists have much in common regarding this controversial doctrine
