Brenchley, 2017-02-14 The updated Third Edition of this best seller presents a highly readable examination of diversity from a unique psychological perspective to teach students how to understand social and cultural differences in today's society. By exploring how individuals construct their view of social diversity and how they are defined and influenced by it, author Bruce Evan Blaine and new coauthor Kimberly J. McClure Brenchley present all that psychology has to offer on this critically important topic. The new edition features chapters on traditional topics such as categorization, stereotypes, sexism, racism, and sexual prejudice, in addition to chapters on nontraditional diversity topics such as weightism, ageism, and social stigma. Integrated throughout the text are applications of these topics to timely social issues.

Understanding the Psychology of Diversity

Bruce Evan Blaine, 2007-03-18 Featuring chapters on traditional prejudice topics such as categorization and stereotypes, sexism, racism, and social stigma, *Understanding the Psychology of Diversity* is a wide-ranging textbook that covers the cognitive and emotional underpinnings of prejudice attached to all forms of inequality. Mixed in with this content are further chapters that explore newer and more nontraditional diversity topics such as sexual orientation and social class-based prejudice, weight and appearance-based prejudice, and diversity on television. A number of student-friendly features appear in this text, including Diversity Issue boxes spotlighted in each chapter, centre around recent issues or research findings related to prejudice or social stigma; Making Connections questions interspersed throughout chapters to stop readers and encourage them to think more deeply about issues just covered; Summaries, Key Terms in the text, and at the beginning of chapters; Further Readings and interesting Websites are also all included. *Understanding the Psychology of Diversity* is the perfect textbook for courses on the Psychology of Diversity, Prejudice, Stereotyping, and Discrimination, as well as Race and Gender.
