Agape Ideas:

The Role of Agape Susan Jackson, Cinda McCracken, 2012-01-01 As a way of infusing participants with a sense of God's unconditional agape love tangible signs of agape are everywhere during a Walk to Emmaus or a Chrysalis weekend This book explains the various forms of agape and anonymous acts of servanthood that are vital to communicating unconditional love during each 3 day event

If You Love Me, You Will ... Michael Gonzales, 2019-02-01 If You Love Me You Will examines how the Bible defines love and applies that understanding to human behavior and especially to Christians Author Michael Gonzales shares true stories from his life to illustrate the theme of love and provide examples that all of us can appreciate and relate to Those who have been confused by the world's definition of love will find much illumination for their relationships with God those around them and even themselves Men and women alike will benefit from the principles contained in If You Love Me You Will for the good of all their relationships

The Nature of Love Thomas Jay Oord, 2010-04-01 God is love Consequently shouldn't love exist at the center of Christian theology When love is at the center theology is understood differently than it has typically been understood Some theologians have placed faith at the center others God's sovereignty still others the Church but Dr Oord places the emphasis on love God's love for us revealed in Christ in the Church and in creation and our love for God and others as ourselves must be afforded its rightful place Beginning with the foundation of love is what differentiates the Christian faith from others a loving God Dr Oord defines love as To love is to act intentionally in sympathetic empathetic response to God and others to promote overall well being Is this not what has defined Christians throughout history

The Altruistic Species Andrew Michael Flescher, 2007-10 What motivates altruism How essential is altruism to the human experience Is altruism readily accessible to the ordinary person Exploring these questions through the lenses of biology psychology philosophy and religion this book argues for the existence of altruism against competing theories that view benevolence as self interest in disguise The authors consider the role of genetics and evolutionary biology psychological states that induce altruistic behavior philosophical theories of altruism in normative ethics such as Kantian utilitarian and Aristotelian models of moral action and accounts of love of the neighbor in Christianity and Buddhism Using the insights of these varying perspectives the authors offer a new

comprehensive definition of altruism that affirms humanity's benevolent nature

Love and Justice as Competences Luc Boltanski, 2012-07-16 People care a great deal about justice They protest and engage in confrontations with others when their sense of justice is affronted or disturbed When they do this they don't generally act in a strategic or calculating way but use arguments that claim a general validity Disputes are commonly regulated by these regimes of justice implicit in everyday social life But justice is not the only regime that governs action There are some actions that are selfless and gratuitous and that belong to what might be called a regime of peace or love In the course of their everyday lives people constantly move

back and forth between these two regimes that of justice and that of love And everyone also has the capacity for violence which arises when the regulation of action within either of these regimes breaks down In Love and Justice as Competences Boltanski lays out this highly original framework for analysing the action of individuals as they pursue their day to day lives The framework outlined in this important book is the basis for the path breaking work that he has developed over the last twenty years work that has examined the moral foundations of society in and through the forms of everyday conflict For anyone who wants to understand what a critical sociology might mean today this book is an essential text **The Wisdom of Your Heart** Marc Alan Schelske,2017-09-01 Christians believe many myths about emotions Emotions lead you astray Emotions aren't spiritual And the biggest myth God is not emotional The truth is emotions are a God given source of wisdom when we know how to interpret them Marc Alan Schelske explores How to notice our emotions and hear their truth Brain research that gives unexpected insight into emotions purpose Why denying our emotions hurts couples families and even the church Why no one can mature spiritually without maturing emotionally The Wisdom of Your Heart provides a path for listening to the spiritual insights that your emotions offer every day **Evolutionary Love and the Ravages of Greed** Adam Crabtree,2017-09-14 The widespread turmoil in the human community today is a symptom of the dominance of unchecked desire or Greed This book distinguishes two ancient concepts of love the Greek ideas of agape and eros and explores how agape the driver of evolution when put into play through the harmonious action of eros displays the true essence of love Evolutionary Love that alone is the antidote to the ravages of Greed **The Nature of Love, Volume 1** Irving Singer,2009-02-20 An analysis of concepts of bestowal appraisal imagination and idealization followed by explorations into the writings of thinkers that include Plato Ovid and Martin Luther Irving Singer's trilogy The Nature of Love has been called majestic New York Times Book Review monumental Boston Globe one of the major works of philosophy in our century Nous wise and magisterial Times Literary Supplement and a masterpiece of critical thinking that is a timely eloquent and scrupulous account of what after all still makes the world go round Christian Science Monitor In the first volume Singer begins by studying love as appraisal and bestowal as well as imagination and idealization He then examines the contrasting views of Plato Aristotle Plotinus Ovid Lucretius Saint Augustine Saint Thomas Aquinas and Martin Luther After having described the nature of erotic idealization Singer analyzes the religious idealization in Judeo Christian concepts of eros philia nomos and agape Medieval Catholicism sought to combine these four ideas of love in the caritas synthesis Luther repudiated that attempt on the grounds that love exists only in God's agapastic bestowal of unlimited goodness upon humanity and all of nature In relation to the different modes of theorizing Singer explores the humanistic implications of each **Research in the Social Scientific Study of Religion, Volume 32** ,2022-05-16 The present volume brings together scholars from all over the world in an open section and three special sections that explore how lesser heard and unheard voices may be studied Special section 1 Religion in Higher Education interrogates lived experiences of religion in higher education contexts

and how certain voices are marginalised and minoritised Special section 2 Cultural Blindness in Psychology explores how culture as a lived experience especially in its religious dimension is rendered invisible in psychological science Finally special section 3 entitled Religious Authority in Practice in Contemporary Evangelical Charismatic and Pentecostal Christianity outlines evangelicalism and introduces authority as a sociological concept from various theoretical perspectives Contributors are Kusha Anand Amin Al Astewani Amarina Ashar Ariyanto Ryan T Cragun Sariya Cheruvallil Contractor Abhijit Dasgupta Al Dueck Johan Eriksson Maren Freudenber Mathew Guest Gagan Hartana Tupah Brama Stephen Heap Ralph W Hood Joevarian Hudiyana Thomas Kern Tomas Lindgren Josefa Loebell Nina Monowski Jenny Morgans Laraib Niaz Insa Pruiskén Martin Radermacher Asgar Halim Rajput Victoria Redclift Sebastian Schler Kundan Singh Hannes Sonnenschein Mohammad Soltani Renani Louise Sundarajan Nicole Lee Thung Tan Xiaoqi Tang Thomas Teo Amanda tho Seeth Rachel Sing Kiat Ting Min Min Tan Nicole Wagner Paul Weller Chee Khong Yap and YueYun Aw Yong
