Ars Ne Schrauwen Olivier:

Arsene Schrauwen Olivier Schrauwen, 2014-12-06 In 1947 the author's grandfather Arsene Schrauwen traveled across the ocean to a mysterious dangerous jungle colony at the behest of his cousin Together they would build something deemed impossible a modern utopia in the wilderness but not before Arsene falls in love with his cousin's wife Marieke Whether delirious from love or a fever inducing jungle virus Arsene's loosening grip on reality is mirrored by the graphic novel reader's uncertainty of what is imagined or real by Arsene This first full length graphic novel from the critically acclaimed Olivier Schrauwen is an engrossing sometimes funny slightly surreal and often beautiful narrative Sunday Olivier Schrauwen, 2024-10-15 Internationally acclaimed graphic novelist Olivier Schrauwen returns with a masterfully funny and profound day in the life narrative *Parallel Lives* Olivier Schrauwen, 2018-11-21 This collects six wildly inventive short comics stories that might collectively be dubbed speculative memoir Schrauwen's deadpan depictions of his and his offspring's upcoming lives include alien abduction dialogue with future agents and coded messages in envelopes at breakfast

Arsène Schrauwen 3, On Doing Nothing Roman Muradov, 2018-04-24 In an age of obsessive productivity and stress this illustrated ode to idleness invites you to explore the pleasures and possibilities of slowing down Beloved author and illustrator Roman Muradov weaves together the words and stories of artists writers philosophers and eccentrics who have pursued inspiration by doing less He reveals that doing nothing is both easily achievable and essential to leading an enjoyable and creative life Cultivating idleness can be as simple as taking a long walk without a destination or embracing chance in the creative process Peppered with playful illustrations this handsome volume is a refreshing and thought provoking read Whimsical clever and companionable On Doing Nothing provides a much needed correction to our distracted anxiety ridden and increasingly disembodied culture Muradov has written and illustrated a kind of Situationist Oulipian Ways of Seeing a manual for clarity and presence a book which issues a call to attention a call to pay attention The smart yet approachable philosophical reflections unfold like a leisurely stroll through a beautiful and unfamiliar city provoking thoughtfulness and eliciting in the reader a spirit of discovery Peter Mendelsund author of What We See When We Read

Perfect Copies Shiamin Kwa, 2023-01-13 Analyzing the way that recent works of graphic narrative use the comics form to engage with the problem of reproduction Shiamin Kwa's Perfect Copies reminds us that the mode of production and the manner in which we perceive comics are often quite similar to the stories they tell Perfect Copies considers the dual notions of reproduction mechanical as well as biological and explores how comics are works of reproduction that embed questions about the nature of reproduction itself Through close readings of the comics My Favorite Thing Is Monsters by Emil Ferris The Black Project by Gareth Brookes The Generous Bosom series by Conor Stechschulte Sabrina by Nick Drnaso and Panther by Brecht Evens Perfect Copies shows how these comics makers push the limits of different ideas of reproduction in strikingly different ways Kwa suggests that reading and thinking about books like these that push us to engage with these

complicated questions teaches us how to become better readers **Mowgli's Mirror** Olivier Schrauwen,2015 In this wordless tale the young human boy Mowgli lives alone in the jungle When he befriends an orangutan Mowgli thinks he has found his lifemate But Mowgli still wonders if there any other creatures that look like him Mowgli sets out on a journey through the jungle encountering all types of creatures and having numerous adventures A fantastic use of layout and design by critically acclaimed Olivier Ollie Schrauwen printed in orange and blue spot colors Nominated for a 2016 Eisner Award
