David Rieff

At The Point Of A Gun Democratic Dreams And Armed Intervention:

At the Point of a Gun David Rieff, 2005-03-09 From the acclaimed author of *A Bed for the Night* named one of the best nonfiction books of the year by the Los Angeles Times comes a provocative argument against armed humanitarian or human rights intervention

Between War and Politics Patricia Owens, 2007-08-30 In this major new assessment of Hannah Arendt's writings on International Relations Patricia Owens provides a compelling case for Arendt's continued relevance to debates about suicide bombing genocide the ethics of war civilian casualties and the dangers of lies and hypocrisy in wartime

The Reproach of Hunger David Rieff, 2015-10-06 Hailed as invaluable a substantial work of political thought *New Statesman* in a groundbreaking report based on years of reporting David Rieff assesses whether ending extreme poverty and widespread hunger is truly within our reach as is increasingly promised Can we provide enough food for nine billion people in 2050 especially the bottom poorest in the Global South Some of the most brilliant scientists world politicians and aid and development experts forecast an end to the crisis of massive malnutrition in the next decades The World Bank IMF and Western governments look to public private partnerships to solve the problems of access and the cost of food Philanthrocapitalists Bill Gates and Warren Buffett spend billions to solve the problem relying on technology And the international development Establishment gets publicity from stars Bob Geldorf George Clooney and Bono Hunger David Rieff writes is a political problem and fighting it means rejecting the fashionable consensus that only the private sector can act efficiently The *New Yorker* Rieff who has been studying and reporting on humanitarian aid and development for thirty years takes a careful look He cites climate change unstable governments that receive aid the cozy relationship between the philanthropic sector and giants like Monsanto that are often glossed over in the race to solve the crisis This is a stellar addition to the canon of development policy literature Publishers Weekly starred review *The Reproach of Hunger* is the most complete and informed description of the world's most fundamental question Can we feed the world's population Rieff answers a careful Yes and charts the path by showing how it will take seizing all opportunities technological cultural and political to wipe out famine and malnutrition

News as Entertainment Daya Kishan Thussu, 2008-01-09 Thussu brings to this project the passion for news of a socially committed former journalist the political economy of his international relations education and a formidable assembly of global detail examining the recent explosion of infotainment John Downing Southern Illinois University Thussu's account of war as infotainment the Bollywoodization of news and the emergence of a global infotainment sphere is as compelling as it is alarming This is a significant and essential book for anyone interested in exploring the connections between news journalism informed citizenship and democracy Bob Franklin The Cardiff School of Journalism Media and Cultural Studies Richly detailed and empirically grounded this first book length study of infotainment and its globalization by a leading scholar of global communication offers a comprehensive and critical analysis of this emerging phenomenon Going beyond both geographically and theoretically the dumbing down discourse largely confined to

the Anglo American media the book argues that infotainment may have an important ideological role a diversion in which soft news masks the hard realities of neo liberal imperialism Chapters include a historical appraisal of infotainment the infrastructure for its globalization as well as coverage of recent wars on television news as high tech infotainment and the growing synergies between Hollywood and Bollywood originated infotainment A global infotainment sphere is emerging the book argues within which competing versions of news from 24 7 news networks to bloggers coexist Accessible engagingly written and robustly argued the book combines analyses of theoretical debates on infotainment with extensive and up to date comparative data

Human Rights and the Uses of History Samuel Moyn, 2014-06-17 What are the origins of human rights This question rarely asked before the end of the Cold War has in recent years become a major focus of historical and ideological strife In this sequence of reflective and critical studies Samuel Moyn engages with some of the leading interpreters of human rights thinkers who have been creating a field from scratch without due reflection on the local and temporal contexts of the stories they are telling Having staked out his own claims about the postwar origins of human rights discourse in his acclaimed *Last Utopia* Moyn in this volume takes issue with rival conceptions including especially those that underlie justifications of humanitarian intervention

U.S. Foreign Policy in Perspective David Sylvan, Stephen Majeski, 2009-02-05 What is the long term nature of American foreign policy This new book refutes the claim that it has varied considerably across time and space arguing that key policies have been remarkably stable over the last hundred years not in terms of ends but of means Closely examining US foreign policy past and present David Sylvan and Stephen Majeski draw on a wealth of historical and contemporary cases to show how the US has had a client state empire for at least a century They clearly illustrate how much of American policy revolves around acquiring clients maintaining clients and engaging in hostile policies against enemies deemed to threaten them representing a peculiarly American form of imperialism They also reveal how clientilism informs apparently disparate activities in different geographical regions and operates via a specific range of policy instruments showing predictable variation in the use of these instruments With a broad range of cases from US policy in the Caribbean and Central America after the Spanish American War to the origins of the Marshall Plan and NATO to economic bailouts and covert operations and to military interventions in South Vietnam Kosovo and Iraq this important book will be of great interest to students and researchers of US foreign policy security studies history and international relations This book has a dedicated website at www.usforeignpolicyinperspective.org featuring additional case studies and data sets

American Foreign Policy and Forced Regime Change Since World War II Scott Walker, 2019-01-16 This book explores the motivations behind American military interventions in the Post World War II era that purported to replace autocratic regimes with democratic ones It delves into the Forced Democracy FD phenomenon focusing on its intellectual roots and previous attempts to study it in the academic literature The author examines five American interventions that attempted to replace autocratic regimes with democratic ones The Dominican Republic Grenada

Panama Afghanistan and Iraq Each chapter includes a history of the intervention and an assessment of whether America's intentions and actions toward that particular country were actually focused on delivering a democratic outcome

Media, War and Postmodernity Philip Hammond, 2007-10-10 Media War and Postmodernity investigates how conflict and international intervention have changed since the end of the Cold War asking why Western military operations are now conducted as high tech media spectacles apparently more important for their propaganda value than for any strategic aims Discussing the humanitarian interventions of the 1990s and the War on Terror the book analyzes the rise of a postmodern sensibility in domestic and international politics and explores how the projection of power abroad is undermined by a lack of cohesion and purpose at home Drawing together debates from a variety of disciplinary and theoretical perspectives Philip Hammond argues that contemporary warfare may be understood as postmodern in that it is driven by the collapse of grand narratives in Western societies and constitutes an attempt to recapture a sense of purpose and meaning

After Evil Robert Meister, 2011 The way in which mainstream human rights discourse speaks of such evils as the Holocaust slavery or apartheid puts them solidly in the past Its elaborate techniques of transitional justice encourage future generations to move forward by creating a false assumption of closure enabling those who are guilty to elude responsibility This approach to history common to late twentieth century humanitarianism doesn't presuppose that evil ends when justice begins Rather it assumes that a time before justice is the moment to put evil in the past Merging examples from literature and history Robert Meister confronts the problem of closure and the resolution of historical injustice He boldly challenges the empty moral logic of never again or the theoretical reduction of evil to a cycle of violence and counterviolence broken only once evil is remembered for what it was Meister criticizes such methods for their deferral of justice and susceptibility to exploitation and elaborates the flawed moral logic of never again in relation to Auschwitz and its evolution into a twenty first century doctrine of the Responsibility to Protect

Global Development and Human Security Robert Picciotto, 2017-07-05 Global Development and Human Security explores the possibility of connecting all countries to the global economy while defusing the social tensions and managing the security risks that can result from exposure to a turbulent international system The complex intersection between security and development policies has not been adequately mapped or explored Frail and failing states that lack sound market and security institutions are the weak links in an interconnected global system Yet aid allocation principles discourage engagement with these difficult partners and the insular culture of development assistance hinders interaction with the security community In a world beset by problems without passport infectious diseases environmental pollution international crime conflict spillovers terrorism etc a new paradigm should supplant the now obsolete development consensus The authors took stock of current development practices through the prism of Sweden's Shared Responsibility bill which addresses peace security opportunity environmental conservation human rights and democracy The resulting volume draws the implications of emerging threats to global peace and prosperity for development

policy and practice It seeks to build bridges of understanding between the development community and the security establishment by bringing together lessons of experience currently scattered in the literature Each chapter is self contained and includes policy findings and recommendations The book is principally aimed at practitioners who need up to date knowledge about security and development issues Publication of this paperback edition makes the book available for use as an introductory text for security specialists with little knowledge of development or for development specialists with limited knowledge of security or for college or university students in these areas

Eventually, you will certainly discover a new experience and capability by spending more cash. still when? accomplish you admit that you require to get those every needs like having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will guide you to understand even more on the subject of the globe, experience, some places, when history, amusement, and a lot more?

It is your no question own mature to put-on reviewing habit. in the middle of guides you could enjoy now is **At The Point Of A Gun Democratic Dreams And Armed Intervention** below.

At The Point Of A Gun Democratic Dreams And Armed Intervention Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free At The Point Of A Gun Democratic Dreams And Armed Intervention PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization

of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free At The Point Of A Gun Democratic Dreams And Armed Intervention PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of At The Point Of A Gun Democratic Dreams And Armed Intervention free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
