Bridal Intercession:

Bridal Intercession Gary Wiens,2001-06 Bridal Intercession is a book for such a time as this approaching the topic of intercessory prayer from the perspective of the Church's place as the Bride of Christ Rather than seeing prayer as an issue oriented anxiety based exercise that produces fatigue Gary Wiens presents prayer as joyful and romantic communion between the Lover and His Beloved The approach is thoroughly biblical utilizing the stories of God's relationship with His people as the foundation for the contemporary call to intercessory prayer

Preparing the Bride of Christ for His Return Janet Van Hierden,2014-01-24 I pray that this great book will be placed in the hands of thousands of men and women across the globe Spiritual authority and hearing the voice of God is so ably articulated that even the new Christian will be armed and equipped to identify and recognize these challenges when they arise Dr Graham Power Power Group Global Day of Prayer Being Janet Van Hierden's pastor has been a pleasure She is a godly woman deeply prayerful who adores the Bride of Christ and practices what she preaches If there were anyone in our congregation whose prayers for the Bride I would appreciate and value it would be hers Bishop Todd Atkinson Via Apostolica River of Life Church Being gripped with the realization that a great harvest of souls is upon us there is a sense of urgency as the author through personal stories and testimonies gives practical advice in areas such as Gaining advantage through proper response in suffering and exposing a deep secret of Satan Acquiring authority through unity in marriage What it means for a woman to surround a man for his protection This pithy but easy to read manual helps prepare the Bride for the return of the Bridegroom while leaving the reader wanting more

This Is My Beloved Lisa Smith,2024-12-20 Christians throughout the ages have longed for a deeper more intimate experience of Jesus' love to connect with him in a way that is impactful satisfying and touches the innermost places of the heart Many found the answer by embracing Jesus not simply as their Savior Teacher and Lord but also in his biblical role as the Bridegroom of the church This Is My Beloved helps the reader respond to the bridal love of Jesus in practical transformative ways by offering inspiring life stories and personal writings of Christians from the past and linking their encounters with the bride's journey in the Old Testament book Song of Songs Readers will learn to awaken their affections and satisfy some of their deepest desires by encountering profound intimacy and delightful friendship as the bride of Jesus

Scott Husted,2009-03-01 This is a book about the workings of an establishment that God is doing in these last days Prophesied from ancient times the establishment is going on in communities across the globe As centers for intercession as centers for evangelism and as strategic bases for mercy and justice God is founding Houses of Prayer all across the earth this is The Establishment

Remember Who You Are... Ken Winton,2012-08-21 You Are Here God's Heart You have been embraced with an outrageous authenticity of an exchanged life His for yours Most believers have never been taught that God is always in a good mood and totally in love with them As a result families and churches create shaming cultures that place Christians in

spiritual bondage Remember Who You Are presents the truth that only the powerful love of God and a revelation of who you are to Him can break this too common oppression Then you can be confident knowing you are loved and carry the authority Jesus gave you as His Bride Thought provoking chapter topics include The True Nature of God Is there Spiritual Abuse Humanity s Deepest Issue God Believes in You God Says You Have All Authority Remember Who You Are challenges you to examine what you believe about yourself in light of your relationship with God as the Bride of Christ Very helpful with this self examination are the in depth interactive study questions that accompany each chapter *Nuns' Priests' Tales* Fiona J. Griffiths, 2025-02-01 During the Middle Ages female monasteries relied on priests to provide for their spiritual care chiefly to celebrate Mass in their chapels but also to hear the confessions of their nuns and give last rites to their sick and dying These men were essential to the flourishing of female monasticism during the eleventh and twelfth centuries yet they rarely appear in scholarly accounts of the period Medieval sources are hardly more forthcoming Although medieval churchmen consistently acknowledged the necessity of male spiritual supervision in female monasteries they also warned against the dangers to men of association with women Nuns Priests Tales investigates gendered spiritual hierarchies from the perspective of nuns priests ordained men often local monks who served the spiritual needs of monastic women Celibacy misogyny and the presumption of men s withdrawal from women within the religious life have often been seen as markers of male spirituality during the period of church reform Yet as Fiona J Griffiths illustrates men s support and care for religious women could be central to male spirituality and pious practice Nuns priests frequently turned to women for prayer and intercession viewing women s prayers as superior to their own since they were the prayers of Christ s brides Casting nuns as the brides of Christ and adopting for themselves the role of paranympus bridesman or friend of the bridegroom these men constructed a triangular spiritual relationship in which service to nuns was part of their dedication to Christ Focusing on men s spiritual ideas about women and their spiritual service to them Nuns Priests Tales reveals a clerical counter discourse in which spiritual care for women was depicted as a holy service and an act of devotion and obedience to Christ **DISCOVERING YOUR PRAYER**

Anderson, 2019-07-30 A theologically grounded treatment of what it means to be close to God Numerous Christian books aim to provide guidance on relationships with God but few base their conclusions on a biblical theology of intimacy In this volume Tim Anderson develops a biblical and holistic portrait of nearness to God exploring key themes like God s Trinitarian union the fall God s fatherhood marriage imagery suffering and our relationship with the Holy Spirit A concluding chapter examines contemporary Christian songs that address oneness with God and
