Art Burning Man Photography Guy:

Art of Burning Man NK Guy, 2015 Pyrotechnics and pure self expression in the parched Black Rock Desert You voluntarily assume the risk of serious injury or death by attending 100 miles from the gambling town of Reno in the wilderness of northern Nevada lies a vast hostile plain known as the Black Rock Desert The region has been an empty and windswept dry lake bed for most of the past 10 000 years Except that is for one brief week at the end of the summer when a temporary city rises out of the barren clay This is the Burning Man festival one of the most remarkable gatherings on the planet Baked by the sun and blinded by dust the event acquires different meanings for different people temporary community spiritual adventure performance stage desert rave social experiment It s also the incubator of some of the most pure site specific outdoor art ever made A mechanized fire breathing octopus A towering wooden temple 15 meters tall And the eponymous Man himself a skeletal sculpture set ablaze at the festival s conclusion In their sun scorched desert location these huge installations and happenings exist for no clearer purpose than because someone wanted to express something Participatory collective and often designed to last only for the festival duration their value resides far beyond the ego commerce and power play of common cultural output This book assembles fifteen years of Burning Man images from writer and photographer NK Guy Epic awe inspiring even reality shifting the pictures are a testimony to one of the most uninhibited and expressive centers of our time

NK Guy. Art of Burning Man NK Guy, 2018 One brief week each summer Black Rock City becomes a temporary community spiritual adventure desert rave social experiment and home to some of the most remarkable site specific outdoor art ever made For 16 years writer and photographer NK Guy has traveled deep into the Nevada desert to photograph the installations happenings and

Mastering Canon EOS Flash Photography, 2nd Edition Nk Guy, 2016-03-18 In this updated second edition of the authoritative bestselling Mastering Canon EOS Flash Photography photographer NK Guy brings the book fully up to date with coverage of all the newest Canon gear that has hit the market since the first edition published in 2010 This includes coverage of the radio enabled Canon Speedlite 600EX RT and Canon Speedlite Transmitter ST E3 RT as well as the other Speedlites that have released since the first edition s publication Canon Speedlite 90EX 270EX II 320EX and 600EX And this is the first book to cover Canon s new affordable master unit the Speedlite 430EX III RT flash Digital cameras and flash technology have truly revolutionized photography in the 21st century Originally seen simply as a practical way to illuminate dark scenes with portable light flash today is used for a host of creative and nuanced applications including supplementing daylight designing complex scenes lit by multiple light sources and simply creating beautiful controllable light for portraiture With LCD screens on DSLRs the ability to get instant feedback on lighting setups is a great help in advancing one s lighting capabilities and encouraging experimentation However flash photography can still be a difficult artistic and technical challenge It s simple to get that harsh deer in the headlights look from built in automatic flash

but it is a far cry from beautiful light Creating natural looking images is not nearly as straightforward Mastering the properties of light and the ability to manipulate craft and direct it is a lifelong endeavor Those diving into Speedlights need some help Manuals are terse and the terminology is confusing this is where Mastering Canon EOS Flash Photography comes in This is the complete book on the subject guiding you through Canon s Speedlite system from off camera portable flash to professional studio lighting It covers the fundamentals of flash metering technology discusses key lighting concepts and documents a wide range of Canon and third party equipment Universal flash accessories studio gear and radio triggers are all thoroughly covered The book is lavishly illustrated with diagrams that demonstrate important functions and lighting arrangements and inspiring photos that show sophisticated flash techniques Though tailored for users of Canon EOS cameras owners of other camera systems will find much valuable information as well So whether you re just getting started with flash or you ve picked up the bug for off camera lighting from such popular websites as Strobist com or you re making the leap into advanced studio work Mastering Canon EOS Flash Photography is your in depth resource Includes a foreword by David Hobby noted photojournalist and founder of Strobist com

Burning Man Jennifer Raiser, 2016-07-01 Experience the scorching art of Burning Man with this visual history now updated through 2015 Every August tens of thousands of participants gather to celebrate artistic expression in Nevada s barren Black Rock Desert This vastly inhospitable location called the playa is the site of Burning Man where within a 9 mile fence artists called Burners create a temporary city devoted to art and participation Braving extreme elements over two hundred wildly ambitious works of art are created and intended to delight provoke involve or amaze In 2015 over 70 000 people attended the highest number ever allowed on the playa As Burning Man has created new context new categories of art have emerged since its inception including Art to Ride Collaborative Art and of course Art to Burn Burning Man Art on Fire is an authorized collection of some of the most stunning examples of Burning Man art now updated to include the most recent installations through 2015 Experience the amazing sculptures art stories and interviews from the world s greatest gathering of artists Get lost in a rich gallery of images showcasing the best examples of playa art with over 200 photos Interviews with the artists reveal not only their motivation to create art specifically for Burning Man but they also illuminate the dramatic efforts it took to create their pieces Featuring the incredible photography of long time Burning Man photographers Sidney Erthal and Scott London an introduction from Burning Man founder Larry Harvey and a foreword from Will Chase this stunning slipcased edition allows Burners and enthusiasts alike to have a piece of Burning Man with them all year around
