As For Sinclair Ross:

Sinclair Ross's As for Me and My House David Stouck,1991-01-01 In the past twenty years as the structures of Canadian culture have begun to change so has the fate of As For Me and My House **As for Me and My Body** Keith Fraser,1997 We catch glimpses of him living beside the Mediterranean in Greece and in Spain where his career as a novelist later revived and where Fraser first visited him in the 1970s **Sinclair Ross** Lorraine McMullen,1991 *Introducing Sinclair Ross's As for Me and My House* George Woodcock,1990 Canadian Fiction Studies are an answer to every librarian s student s and teacher s wishes Each book contains clear information on a major Canadian novel Attractively produced they contain a chronology of the author s life information on the importance of the book and its critical reception an in depth reading of the text and a selected list of works cited *The Canadian Short Story* Reingard M. Nischik,2007 Beginning in the 1890s reaching its first full realization by modernist writers in the 1920s and brought to its heyday during the Canadian Renaissance starting in the 1960s the short story has become Canada s flagship genre It continues to attract the country s most accomplished and innovative writers today among them Margaret Atwood Mavis Gallant Alice Munro Carol Shields and many others Yet in contrast to the stature and popularity of the genre and the writers who partake in it surprisingly little literary criticism and theory has been devoted to the Canadian short story This collection redresses that imbalance by providing the first collection of critical interpretations of a range of thirty well known and often anthologized Canadian short stories from the genre s beginnings through the twentieth century A historical survey of the genre introduces the volume and a timeline comparing the genre s development in Canada the US and Great Britain via representative examples completes it The collection is geared both to specialists in and to students of Canadian literature For the latter it is of particular benefit that the volume provides not only a collection of interpretations but a comprehensive introduction to the history of the Canadian short story Reingard M Nischik is professor and chair of American Literature at the University of Constance Germany **The Race and Other Stories by Sinclair Ross** Sinclair Ross,1978-01-01 Heralded as a prairie writer and best known for As for Me and My House and for his stories of the bleak dust bowl Prairies of the Great Depression Sinclair Ross has also written of urban life and briefly of army life as the stories in this collection demonstrate The Race and Other Stories includes previously uncollected short stories and a chapter from Whirl of Gold here title The Race which stands on its own as a short story Furthermore Spike published in French in Libert in 1969 appears here for the first time in English Ross s taut economical rhythmic prose reflects the bleak spare landscape of the prairie The concerns of his novels are equally evident in his stories loneliness and alienation the sense of entrapment the imaginative and artistic struggle This collection of stories will be of interest to those who wish to better understand one of Canada s most respected writers and the diversity that can be found in his writings The Race and Other Stories includes previously uncollected short stories by Sinclair Ross one of Canada s most respected writers Published in English **As for Me and My House** Sinclair Ross,2018-01-09 As For Me

and *My House* is an essential Canadian work a precise and compelling portrait of our culture our psyche and the nature of contemporary art itself now available as a Penguin Modern Classic In the windswept town of Horizon an unnamed diarist paints a vivid and enthralling picture of prairie life in the Depression era Atmospheric intimate and richly observed *As For Me and My House* is a moving meditation on the bittersweet nature of human relationships on the bonds that tie people together and the undercurrents of feeling that can tear them apart It is one of Canada's great novels and a landmark in modern fiction

The Literary History of Saskatchewan David Carpenter, 2013-02 Saskatchewan's literary history is both colourful and complex It is also mature enough to deserve a critical investigation of its roots and origins its salient features and its prominent players This collection of scholarly essays conceptualized and compiled by well known Saskatchewan novelist essayist and scholar David Carpenter examines the Saskatchewan literary scene from its early Aboriginal storytellers on through to the decades to the burgeoning 1970s The dozen essays preceded by a David Carpenter introduction include such topics as *Our New Storytellers* *Cree Literature in Saskatchewan* *The Literary Construction of Saskatchewan before 1905* *Narratives of Trade Rebellion and Settlement* and *The New Generation The Seventies Remembered* Also included are special topics among them *Playwriting in Saskatchewan* *Feral Muse* *Angelic Muse* *The Poetry of Anne Szumigalski* and tribute pieces to John V Hicks R D Symons Terrence Heath and Alex Karras Contributing scholars include the likes of Kristina Fagan Jenny Kerber Susan Gingell Ken Mitchell and Martin Winquist

As for Sinclair Ross David Stouck, 2005-01-01 Sinclair Ross 1908-1996 best known for his canonical novel *As for Me and My House* 1941 and for such familiar short stories as *The Lamp at Noon* and *The Painted Door* is an elusive figure in Canadian literature A master at portraying the hardships and harsh beauty of the Prairies during the Great Depression Ross nevertheless received only modest attention from the public during his lifetime His reluctance to give readings or interviews further contributed to this faint public perception of the man In *As for Sinclair Ross* David Stouck tells the story of a lonely childhood in rural Saskatchewan of a long and unrewarding career in a bank and of many failed attempts to be published and to find an audience The book also tells the story of a man who fell in love with both men and women and who wrote from a position outside any single definition of gender and sexuality Stouck's biography draws on archival records and on insights gathered during an acquaintance late in Ross's life to illuminate this difficult author describing in detail the struggles of a gifted artist living in an inhospitable time and place Stouck argues that when Ross was writing about prairie farmers and small towns he wanted his readers to see the kind of society they were creating to feel uncomfortable with religion as coercive rhetoric prejudices based on race and ethnicity and rigid notions of gender *As for Sinclair Ross* is the story of a remarkable writer whose works continue to challenge us and are rightly considered classics of Canadian literature
