Welcome!

Students taking this course are expected to prepare for the AP English Language and Composition Exam given on Wednesday, May 14, 2025. We will be studying AP writing prompts, critiquing various forms of nonfiction, discussing sample student writings, and learning how to perform rhetorical analysis. The emphasis in this class will be on close, critical reading and formal writing. Students must prepare to write extensively. My job will be to help students shape and enhance their already-established writing skills. I encourage all students in my class to take the AP exam. This class will be very challenging, fast-paced, and rewarding, but it does require a commitment. Most colleges and universities will credit students with units for passing the AP exam, thereby allowing students to be able to bypass most college freshmen English requirements. Because of this, AP classes demand college-level performance.

Student Materials

Students are encouraged to bring the following daily: their District issued Chromebook, the current text, lined paper (no spirals unless they have perforated edges), at least two blue or black pens, #2 pencils for Gradient tests, highlighters, colored pens, Post-its, and a three-ring binder with labeled sections. **Note: Because the AP exam is online this year, timed writes will also be completed online. You MUST use a District issued Chromebook for these timed writes; personal devices WILL NOT be permitted.**
