Bed Number Ten Bed Number Ten:

Bed Number Ten Sue Baier, Mary Zimmeth Schomaker, 1989-03-31 A patient's personal view of long term care Seen through the eyes of a patient totally paralyzed with Guillain Barr syndrome this moving book takes you through the psychological and physical pain of an eleven month hospital stay BED NUMBER TEN reads like a compelling novel but is entirely factual You will meet The ICU staff who learned to communicate with the paralyzed woman and those who did not bother The physicians whose visits left her baffled about her own case The staff and physicians who spoke to her and others who did not recognize her presence The nurse who tucked Sue tightly under the covers unaware that she was soaking with perspiration The nurse who took the time to feed her drop by drop as she slowly learned how to swallow again The physical therapist who could read her eyes and spurred her on to move again as if the battle were his own In these pages which reveal the caring the heroism and the insensitivity sometimes found in the health care fields you may even meet people you know

The Silent Short Stories Boniface Mundu, 2013-10-23 This collection of short stories has characters from real life situations They are drawn from ordinary life They passionately seek to achieve their goals in life but they face uncompromising challenges in their life Because they believe in purity of relationship in puritanical love Read the stories to know what how the characters face moral challenges of life what influences their decisions and what happens to them finally

The Patient in Bed Number 12 Raj Kamal Jha, 2023-11-27 A hate video goes viral A dying father sets out in search of the living A daughter risks all to follow her head and heart The Patient in Bed Number 12 is a remarkable novel framed as a confession from parent to child from child to parent In this profoundly moving exchange secrets long buried tumble out mysterious and dreamlike a grieving mother finds solace in a newspaper photograph a ghost comes to life in an abandoned fridge children fill empty jars with the night's darkness a young couple plan how to seek permission for their love and three men with a phone camera turn a family's world upside down Just as one breath holds in its end the beginning of another each story's close becomes the opening for the next linking fragile strands of individual lives into a tapestry of hope and heartbreak From Raj Kamal Jha India's novelist of the newsroom comes a searing investigation of the pulse of today's India a billion plus young people restless and ambitious trying to shed the burdens of their past and yet haunted by ghosts of mistrust and hate

A Family Like This, A Family Like That Gitty Gold, 2013-07-25 My friends and family congratulated me on my marriage expressing their overwhelming admiration for my selflessness but behind my back they tapped their forefingers against their temples She didn't understand what he was driving at and he repeated the question explaining very explicitly How much are you asking for convincing Miriam to leave the boys in my custody and how much will she settle for in order to leave the country Not everything can be bought or negotiated through money Gitty remarked trying to stare him straight in the eyes Bingo He was the first to lower his gaze It had been a gamble she knew a dangerous one I don't generally do business with women but you can stay Was this a compliment

Understanding Guillain-Barre Syndrome Brain S. Langton,2006-04-18 Part one of A First Step Understanding Guillain Barr Syndrome is a true blow by blow account of the Author s encounter as a healthy Canadian businessman with a rare and devastating disease Guillain Barr Syndrome G B S for short It describes his seven month long struggle for life in Intensive Care after receiving a grim prognosis and his subsequent dogged determination to overcome the effects of that disease The second part is devoted to short stories based on dreams and hallucinations experienced whilst he was in Intensive Care which in themselves reveal something of what a patient was going through They also serve to illustrate the narrow boundary between reality and the dream world and which whilst making for entertaining reading could possibly be the subject of further study Although the Author is a layperson in medical terms it is believed this book will be an important aid to medical professionals and care givers providing as it does new insights and a unique perspective on the effects not only of the disease Guillain Barr Syndrome but also of the handling and care of any long term intensive care patient and their subsequent rehabilitation For the curious it will answer many questions For G B S patients and their families it should provide inspirational reading The foreword to the book has been written by Dr Frank Warshawski MD FRCPC Director of Intensive Care Rockyview General Hospital Calgary In addition to that prestigious involvement the Author has been fortunate in receiving permission to use other material authored by exceptionally well qualified medical professionals for which due credit is given in the Acknowledgements section of the book enabling him to produce not only an interesting publication but an informative and educational one In short a must read and deserving of a place on any medical bookshelf **Innovations in**
