**www.congregationalresources.org** Richard Bass, 2004-12-30 An ever increasing number of resources compete for the attention of congregational leaders With a seemingly endless number of choices finding the best resource on a particular topic for a specific congregation is an often daunting challenge [www.congregationalresources.org](http://www.congregationalresources.org) is an invaluable companion to the groundbreaking online version of Alban Institute's and Indianapolis Center for Congregational Studies jointly researched and

produced Congregational Resource Guide launched in 2001 and accessed by thousands of seekers each week The book conveniently and cogently puts the rich array of important resources into context by examining in depth the key books organizations Web sites and people that will help leaders gain an understanding of important issues facing their congregations The book features ten overviews of important topics by widely recognized experts in their fields including Amy Sherman on Community Ministry Tom Fischer on Congregational Health Lee Ramsey on Preaching Paul Chaffee on Leadership John Janka on Evaluation and Jean Trumbauer on Lay Ministry Each essay is accompanied by an annotated list of selected resources for researching further information Helpful guides for using these valuable resources to promote and encourage congregational understanding and transformation are also included

*The Overshadowed Preacher* Jerusha Matsen Neal, 2020-10-08 The *Overshadowed Preacher* breaks open one of the most important unexamined affirmations of preaching the presence of the living Christ in the sermon Jerusha Matsen Neal argues that Mary's conceiving bearing and naming of Jesus in Luke's nativity account is a potent description of this mystery Mary's example calls preachers to leave behind the false shadows haunting Christian pulpits and be overshadowed by the Spirit of God Neal asks gospel proclaimers to own both the limits and the promise of their humanness as God's Spirit filled servants rather than disappear behind a pulpit prince ideal It is a preacher's fully embodied witness lived out through Spirit filled acts of hospitality dependence and discernment that bears the marks of a fully embodied Christ This affirmation honors the particularity of preachers in a globally diverse context challenging a status quo that has historically privileged masculinity and whiteness It also offers hope to ordinary souls who find themselves daunted by the impossibility of the preaching task Nothing in the angel's words is impossible with God

**How Women Transform Preaching** Leonora Tubbs Tisdale, 2021-04-06 Women preachers are everywhere The pulpit once a bastion of male presence and power has become in many denominations a place where women regularly exercise their gifts leading congregations and proclaiming God's word

each week The number of women scholars who are publishing and teaching in the field of preaching has also expanded dramatically Leonora Tubbs Tisdale explores how the presence of women preachers and scholars of preaching has transformed the practice of homiletics this country from the reclamation of women s herstory in preaching to the topics addressed in preaching and scholarship to the way in which Biblical hermeneutics and theologizing are undertaken in preaching to the imagery illustrations shape and embodiment of the sermons themselves How Women Transform Preaching begins with a fascinating survey including statistical information and historical analysis Interviewing 16 women preachers homileticians Tisdale shares untold stories of women preachers throughout history who are largely unknown but who serve as examples of both the struggle and power of women s preaching She then tells the stories of contemporary women preachers Throughout Tisdale draws practical lessons for the reader showing what students homileticians and preachers can learn from extraordinary women preachers *Finding Language and Imagery* Jennifer L. Lord,2009-11-01 Sermons use words And though it may seem obvious that preachers should be careful and exacting in word choice preachers often set aside this aspect of preaching in favor of exegesis form and sermon focus and make such language work a secondary task In *Finding Language and Imagery* Jennifer L Lord asserts that because language shapes faith preachers must be disciplined to find fresh words for sermons and to make good choices about both their own words and those borrowed from others By presenting key tools and terms along with writing exercises Lord helps users develop both their understanding of language and their skills to capture the religious imagination of their listeners Book jacket **Shaping the Claim** Marvin A. McMickle,2008-09-03 Shaping the Claim helps the preacher discover the core of the message to be preached the sermon claim In order to be effective says McMickle a sermon needs to address the hearers at three distinct levels the head or the intellect the heart or passion and conviction and the hand or an expected and desired response In order to discover the biblical claim that a sermon should make upon a particular congregation at a particular time McMickle presents a helpful three step process 1 What 2 So What and 3 Now What The book is keyed to online sermon samples and other Web based features such as sermon illustrations and art
