Bisexual And Homosexual Identities Critical Theoretical Issues Research On Homosexuality:

Bisexual and Homosexual Identities John P. De Cecco, Michael G. Shively, 1984 This well documented book highlights some of the theories of bisexual and homosexual identities and their conceptual bases in cultural history moral philosophy biology and social psychology Some of the most respected minds in the field of human sexuality challenge traditional views on homosexuality and question the moral principles implicit in many existing psychiatric and psychological theories Gay Community Survival in the New Millennium Michael R Botnick, 2021-06-03 Understand the international challenges facing gay male societies This eye opening account examines the idealistic structural and emotional meanings of community within the gay population Gay Community Survival in the New Millennium explores the concept of gay community as well as the problems and progress that these communities are facing in the United States Canada and Israel As a community leader gay rights advocate or policymaker you will gain insight into issues that must be addressed now in order to strengthen your own community Gay Community Survival in the New Millennium explores many of the fractures in gay society that must be addressed to ensure progress in the gay liberation movements including racial and ethnic divisions in the gay community especially based on HIV positive and HIV negative status and programs that work to bridge this gap the rift between HIV positive and HIV negative gay men based on the allocation of money for social programs meant to support entire gay communities AIDSphobia the irrational fear of contracting the virus and how it has affected gay communities the Israeli gay rights movement which is visibly pursuing full and equal citizenship in Israel including acceptance into the Israeli military projections for gay rights movements in the future if homophobia continues to exist the enormous power that would be created if all gay and AIDS social organizations in a given geographic region banded together to influence change in social policies and eliminate stereotypes Gay Community Survival in the New Millennium explores what it means to be a gay man in today s communities from the fear of AIDS and the need for financing of gay men s social programs to forming a collective organization that will work for the gay men s liberation movements This essential guide will provide you with suggestions to help you shape and successfully change your gay community Origins of Sexuality and Homosexuality John Dececco, Phd, Michael Shively, 2014-04-04 This well documented book highlights some of the theories of bisexual and homosexual identities and their conceptual bases in cultural history moral philosophy biology and social psychology Some of the most respected minds in the field of human sexuality challenge traditional views on homosexuality and question the moral principles implicit in many existing psychiatric and psychological theories **Homosexuality and Male Bonding in Pre-Nazi Germany** Hubert Kennedy, 2013-09-13 This is a landmark publication featuring English translations of selections from the early gay German journal Der Eigene This collection previously scattered and difficult to read in the original German allows readers direct access to primary source material on the early gay movement Neglected for years these articles provide insight into the early gay movement particularly in its relation to the various political currents in pre World

War II Germany Simultaneously the essays are relevant to current discussions and debates in contemporary gay women s and youth movements Masterly introductory and concluding essays add additional insight by placing the articles in their historical context discussing their past and current significance and drawing lessons for the future Readers of all levels of sophistication will find this anthology a fascinating look at homosexuality in early years *Gay and Lesbian Asia* Gerard Sullivan,PETER A JACKSON,2013-09-13 How do Asian cultures construct queer genders sexualities and eroticism *Gay and Lesbian Asia* demonstrates the astonishing diversity of gay lesbian bisexual and transgendered identities in countries including Korea Thailand Malaysia China India Indonesia Singapore and the Philippines Although many Asian cultures borrow the language of the West when discussing queerness the attitudes relationships and roles described are quite different *Gay and Lesbian Asia* discusses cultural issues as well as the unique political position of gays in Asian societies For example the Thai concept of phet eroticized gender is quite different from the Western view that classifies people by the sex of the partners they desire not by their level of masculine or feminine traits Similarly some gay and lesbian Chinese people come home rather than come out By bringing their partners into the extended family they can maintain the filial relationships that define them while being able to love whom they choose The essays in *Gay and Lesbian Asia* cover a broad range of approaches and subjects globalization theory exploring the political and cultural ramifications of the Western gay identity movement Foucauldian discourse on sexuality and sharply distinct erotic cultures political and cultural analyses of gay and lesbian comradeship and filial relationships in Chinese societies research on the T and po lesbians similar to butch and femme in Malaysian bars the formation of gay cybercommunities in Asia the effects of class distinctions on Jakarta lesbians studies of local historical forms of homoeroticism and transgenderism *Gay and Lesbian Asia* continues Haworth s landmark series of books on gay and lesbian issues in Asia and Australia Along with Tongzhi Politics of Same Sex Eroticism in Chinese Societies Queer Asian Cinema Multicultural Queer Australian Narratives Gays and Lesbians in Asia and the Pacific and Lady Boys Tom Boys Rent Boys Male and Female Homosexualities in Contemporary Thailand this book presents some of the most original powerful current thought available on cultural political sexual and gender issues for queer subcultures within Asian cultures *Sexuality Across the Life Course* Alice S. Rossi,1999-06-04 How does sexual behavior change over one s life span How does sexual satisfaction affect the quality and stability of marriage How has the AIDS epidemic affected sexual attitudes in America over the past three decades In this wide reaching volume distinguished sociologist Alice S Rossi addresses these questions and others through fourteen diverse essays on sexual behavior covering adolescence through old age and studying such groups as singles married couples and homosexuals This extensive study also explores the effects of chronic disease and medication on sexual functioning recent developments in psychotherapy for sexual problems and sexual abuse of children incest and rape The interdisciplinary nature of the project has resulted in a text that is accessible to anyone with a behavioral science background Well written well edited and well received by this reviewer Joan C Chrisler Journal of Sex Marital

Therapy This is a book that needs to be on the bookshelf of any AIDS researcher AIDS Book Review Journal

Gays, Lesbians, and Consumer Behavior Daniel L. Wardlow, 2014-01-02 Marketing practitioners have begun to target gays and lesbians as consumers although little is known about their buying behavior expectations in consumption or of their treatment in the marketplace Gays Lesbians and Consumer Behavior is the first attempt at presenting the roles treatment and expectations of gays and lesbians as consumers in the marketplace It asserts that homosexuality often entails a fully elaborated lifestyle many details of which revolve around and reflect differences from mainstream society These findings are of practical value since consumers businesses channels of distribution and media forms are all segmented addressing a diversity of attitudes and behaviors and reaching consumers through targeted marketing In Gays Lesbians and Consumer Behavior Editor Daniel L Wardlow brings together research which builds upon the theoretical and empirical bases of consumer behavior Each chapter contributes to an understanding of consumption in the gay and lesbian subculture and raises a series of questions and ethical concerns to guide future research in this area Chapters center on the four broad themes of consumption rituals presentation through consumption discrimination and tolerance and application and accommodation Specific topics covered include ritualistic consumption in a sub cultural context lesbian consumption of lesbian imagery discrimination issues in retail customer service and hotel reservations effects of homosexual imagery on advertising gift giving behavior among homosexuals using marketing in HIV AIDS prevention counseling market profiling and strategy suggestions accommodating gays and lesbians as consumers in the marketplace The research presented in Gays Lesbians and Consumer Behavior draws from a diverse collection of academic disciplines and fields of inquiry to present a glimpse at the consumption behavior of gay men lesbians and bisexuals and at the marketing response to these different populations As a pioneering effort Gays Lesbians and Consumer Behavior s scope is not comprehensive but deliberately broad to allow researchers to delineate avenues for subsequent research Many of the chapters are empirical or descriptive in nature and contain insights for academic and practitioner alike Academics in marketing psychology sociology consumer behavior gay and lesbian studies and cultural anthropology will find this a valuable addition to their reading material Marketing advertising and retailing professionals will be able to put the information and findings to practical use as they aim to reach more consumers and broaden their audience
