Bishop Murder Philo Vance Detective:

The Bishop Murder Case S. S. Van Dine, 1957 **The Bishop Murder Case** S. S. Van Dine, 1929 Society sleuth Philo Vance investigates a series of murders inspired by Mother Goose rhymes. The murders start with the body of Robin. He is found with an arrow through the heart but Vance deduces that the body was placed and not found where he was killed. The note found dealing with the murder was part of a nursery rhyme and signed by Bishop. The only witness may have been Mrs. Drukker and Adolph but they are not talking. As the murders progress, each one is accompanied by a nursery rhyme. It is up to Philo Vance to unravel the clues and unmask the identity of the murderer.

The Bishop Murder Case S. S. Van Dine, 2024-01-01 In this classic 1920s mystery, a debonair aristocrat turned amateur sleuth searches New York City for a killer, drawing inspiration from nursery rhymes. Renaissance dandy Philo Vance has an insatiable hunger for complicated puzzles to solve. He frequently serves as an informal advisor to the police on demanding cases. And once again, New York District Attorney John Markham has quite a case for Vance. The body of Joseph Cochrane Robin was found pierced with an arrow and accompanied by a note signed The Bishop. Many of the crime scene's details remind Vance of the children's nursery rhyme Who Killed Cock Robin. Then more grisly deaths occur, and each seems to reference other characters from Mother Goose. In a case that doesn't follow rhyme or reason, Vance must quickly determine who has Manhattan society whipped into a frenzy before another victim falls like Humpty Dumpty.

Van Dine, 2020-05-22 Of all the criminal cases in which Philo Vance participated as an unofficial investigator the most sinister the most bizarre the seemingly most incomprehensible and certainly the most terrifying was the one that followed the famous Greene murders The orgy of horror at the old Greene mansion had been brought to its astounding close in December and after the Christmas holidays Vance had gone to Switzerland for the winter sports Returning to New York at the end of February he had thrown himself into some literary work he had long had in mind the uniform translation of the principal fragments of Menander found in the Egyptian papyri during the early years of the present century and for over a month he had devoted himself sedulously to this thankless task Whether or not he would have completed the translations even had his labors not been interrupted I do not know for Vance was a man of cultural ardencies in whom the spirit of

research and intellectual adventure was constantly at odds with the drudgery necessary to scholastic creation I remember that only the preceding year he had begun writing a life of Xenophon the result of an enthusiasm inherited from his university days when he had first read the Anabasis and the Memorabilia and had lost interest in it at the point where Xenophon's historic march led the Ten Thousand back to the sea However the fact remains that Vance's translation of Menander was rudely interrupted in early April and for weeks he became absorbed in a criminal mystery which threw the entire country into a state of gruesome excitement The Bishop Murder Case S.
