The Bodyguard Next Door Cynthia Eden,2022-05-10 He's danger and a wicked hot grin Iris Stuart may have a small crush on her neighbor After all Pierce Jennings is gorgeous muscled and he has a laugh that makes her toes curl But she is not going down that particular path of temptation with the former Army Ranger and current Wilde agent Nope Not happening They'll stay in the friend zone because it's safer that way Safer for her and for him Even if looking into his baby blues makes her heart race She's sunshine secrets and a bit of sin Pierce's new neighbor wears paint splattered jeans she smells like sin and he wants to put his hands all over her gorgeous body Too bad she's friend zoned him Too bad she's starring in most of his fantasies Too bad he can't get her out of his head But when danger comes knocking he's just the man she needs So Iris may have a slightly infamous past and a family who more than dabs in art forgeries Iris inherited some of

their not so slightly shady skills and unfortunately now some dangerous people want to use her When the bad guys don't take no for an answer and they try to abduct her it's her sexy bodyguard next door who comes to her rescue Suddenly she's got his protection The bad guys want her art skills the Feds in stiff suits want her to work a sting and Pierce He just wants her to be his And what Pierce wants he will get Even if he has to take down an undercover art ring and take on the Feds he will stay by Iris's side He's not just going to be her bodyguard Before they are done he plans to be one hell of a lot more to her Author's Note Does it get better than having a seriously buff ready to handle any threat bodyguard right next door For Iris Stuart this turn of events is probably the best thing that has ever happened to her But falling for sexy Pierce wasn't supposed to happen She's the bad girl He's the hero Except maybe a bad girl can win the heart of the hero provided of course that they can survive the danger heading their way It's time for another WILDE ride What can you expect Hot times lots of danger humor thrills and a guaranteed happy ending *Roman Will Fall* Cynthia Eden, 2021-01-26 She can't work with him They've been partners for barely a week and Roman Smith if that even was his real last name is already driving Harper Crane absolutely insane His list of faults is a mile long Roman is secretive controlling and far too sexy Okay the sexiness doesn't matter It can't matter What matters is that Roman never listens to orders he is far too quiet and intense and Harper is pretty sure that he is up to some seriously shady side business He isn't supposed to want his new training partner Roman has spent his life in the darkness He is far too well acquainted with evil and working at Wilde Well joining the security and protection firm is supposed to be the first step to turning things around in his world The first step to becoming someone new But some habits are hard to shake And Roman knows that his way too beautiful trainer Harper is already suspicious of him Yeah so she is right to be suspicious Until recently he has been the bad guy in the story His list of past deeds could give anyone nightmares Too bad he only wants to give Harper sweet dreams Trouble has followed Roman Roman has some unfinished business from his past in the form of deadly enemies who have tracked him And now those enemies have gotten the wrong idea about Harper Probably because Roman couldn't keep his hands off her on a case They think she is Roman's lover They think they can use her in order to get to him They are about to make the worst mistake of their lives When Roman's enemies kidnap Harper he drops the good guy role Roman races to rescue her and they are thrown together in close confines Intimately close In order to fight the enemies closing in Harper and Roman have to trust each other They have to work together Stay together Except the longer they are together the more Roman realizes just how much he wants the fiery Harper And soon Roman can't imagine his life without her Can a reformed bad guy get a chance at happily ever after Maybe If things get Wilde enough Author's note The badder they are the harder they fall And Roman is about to fall HARD His training partner blindsides him from the very beginning Bad guys aren't supposed to believe in love at first sight and hell Roman doesn't even believe in love at all But then Harper barrels into his life When she's threatened he will do anything and everything necessary to assure her safety And as for Harper if she gives him the chance he will prove to her that even bad
