

Providence Praised

Read the following excerpt from William Bradford's *Of Plymouth Plantation*; then answer the questions on the next page.

Being thus arrived in a good harbor and brought safe to land, they fell upon their knees & blessed y^e [the] God of heaven, who had brought them over y^e vast & furious ocean, and delivered them from all y^e periles & miseries thereof, againe to set their feete on y^e firme and stable earth, their proper elemente. And no marvell if they were thus joyfull, seeing wise Seneca was so affected with sailing a few miles on y^e coast of his owne Italy; as he affirmed, that he had rather remaine twentie years on his way by land, then pass by sea to any place in a short time; so tedious & dreadfull was y^e same unto him.

But hear I cannot but stay and make a pause, and stand half amazed at this poore peoples present condition; and so I thinke will the reader too, when he well considers y^e same. Being thus passed y^e vast ocean, and a sea of troubles before in their preparation (as may be remembered by y^e [that] which wente before), they had now no freinds [sic] to wellicome them, nor inns to entertaine or refresh their weather-beaten bodys, no houses or much less townes to repaire too, to seeke for succoure. It is recorded in scripture as a mercie to y^e apostle & his shipwrecked company, y^e the barbarians shewed them no small kindness in refreshing them, but these savage barbarians, when they mette with them (as after will appeare) were readier to fill their sides full of arrows then otherwise. And for y^e season it was winter, and they that know y^e winters of y^e cuntry know them to be sharp & violent, & subjecte to cruell & fierce stormes, dangerous to travell to known places, much more to seerch an unknown coast. Beside, what could they see but a hideous & desolate wilderness, full of wild beasts & wild men? And what multitudes ther might be of them they knew not. Nether could they, as it were, goe up to y^e tope of Pisgah, to view from this wilderness a more goodly cuntry to feed their [hopes]; for which way soever they turned their eys (save upward to y^e heavens) they could have litle solace or content in respect of any outward objects. For summer being done, all things stand upon them with a wetherbeaten face; and y^e whole cuntry, full of woods & thickets, represented a wild & savage heine. If they looked behinde them, ther was y^e mighty ocean which they had passed, and was now as a maine barr & goulfe to seprate them from all y^e civill parts of y^e world. If it be said they had a ship to succour them, it is trew; but what heard they daly from y^e m^r. & company [captain and crew]? but y^e with speede they should looke out a place with their shallop, wher they would be at some near distance; for y^e season was such as he would not stirr from thence till a safe harbor was discovered by them wher they would be, and he might goe without danger; and that victells consumed apace, but he must & would keepe sufficient for them selves & their retourne. Yea, it was muttered by some, that if they got not a place in time, they would turne them & their goods ashore & leave them. Let it also be considered what weake hopes of supply & succoure they left behinde them, y^e might bear up their minds in this sade condition and trialls they were under; and they could not but be very smale. It is true, indeed, y^e affections & love of their brethren at Leyden was cordiall & entire towards them, but they had litle power to help them, or them selves; and how y^e case stode betwene them & y^e marchants at their coming away, hath allready been declared. What could now sustaine them but the spirite of God & his grace? May not & ought not the children of these fathers rightly say: *Our fathers were Englishmen which came over this great ocean, and were ready to perish in this wilderness; but they cried unto y^e Lord, and he heard their voyce, and looked on their*
