Black Beauty

In 1877, Anna Sewell wrote Black Beauty. In the story, Black Beauty, a black horse, tells of his life among many masters. In this passage, Black Beauty tells of his time as a horse that pulls a cab in London.

**45. Jerry's New Year**

For some people Christmas and the New Year are very merry times; but for cabmen and cabmen's horses it is no holiday, though it may be a harvest. There are so many parties, balls, and places of amusement open that the work is hard and often late. Sometimes driver and horse have to wait for hours in the rain or frost, shivering with the cold, while the merry people within are dancing away to the music. I wonder if the beautiful ladies ever think of the weary cabman waiting on his box, and his patient beast standing, till his legs get stiff with cold.
