The Girl in the Silver Mask Dale Rominger, 2017-02-22 Drake Ramsey is a successful author who has just moved to New Orleans to be with his love the brilliant and now pregnant Zuri Manyika While Zuri works as a professor at Loyola University Drake spends his days in Treme Coffeehouse contemplating a sequel without a clue his world is about to be turned upside down Drakes horizons expand when his new friend Adam Boateng relays stories of life in early New Orleans that strangely hint he may have been there himself After Drake invites his old buddy Gerard Schleiermacher to join them for Halloween he looks forward to experiencing New Orleans at its most outrageous But just as they learn that Zuris old Zimbabwean adversary has escaped from prison Adam becomes a suspect in a murder Now Drake is

left to speculate if Adam is capable of killing if the vengeful prisoner is guilty or if a voodoo priest is responsible As Drake Zuri and Gerard risk their lives in pursuit of the truth bayous and beignets interweave with second lines and graveyards as a vampire lurks in the shadows Will Drake ever find the killer In this gripping mystery a best selling author transforms into an amateur sleuth intent on finding a murderer after a wild Halloween in New Orleans *Prayers for the People* Rebecca Louise Carter,2019-07-05 Grieve well and you grow stronger Anthropologist Rebecca Louise Carter heard this wisdom over and over while living in post Katrina New Orleans where everyday violence disproportionately affects Black communities What does it mean to grieve well How does mourning strengthen survivors in the face of ongoing threats to Black life Inspired by ministers and guided by grieving mothers who hold birthday parties for their deceased sons *Prayers for the People* traces the emergence of a powerful new African American religious ideal at the intersection of urban life death and social and spiritual change Carter frames this sensitive ethnography within the complex history of structural violence in America from the legacies of slavery to free but unequal citizenship from mass incarceration and overpolicing to social abandonment and the unequal distribution of goods and services And yet Carter offers a vision of restorative kinship by which communities of faith work against the denial of Black personhood as well as the violent severing of social and familial bonds A timely directive for human relations during a contentious time in America s history *Prayers for the People* is also a hopeful vision of what an inclusive nonviolent and just urban society could be **In the Shadow of Statues** Mitch Landrieu,2019-03-19 The New Orleans mayor who removed the Confederate statues confronts the racism that shapes us and argues for white America to reckon with its past A passionate personal urgent book from the man who sparked a national debate There is a difference between remembrance of history and reverence for it When Mitch Landrieu addressed the people of New Orleans in May 2017 about his decision to take down four Confederate monuments including the statue of Robert E Lee he struck a nerve nationally and his speech has now been heard or seen by millions across the country In his first book Mayor Landrieu discusses his personal journey on race as well as the path he took to making the decision to remove the monuments tackles the broader history of slavery race and institutional inequities that still bedevil America and traces his personal relationship to this history His father as state legislator and mayor was a huge force in the integration of New Orleans in the 1960s and 1970s Landrieu grew up with a progressive education in one of the nation s most racially divided cities but even he had to relearn Southern history as it really happened Equal parts unblinking memoir history and prescription for finally confronting America s most painful legacy *In the Shadow of Statues* contributes strongly to the national conversation about race in the age of Donald Trump at a time when racism is resurgent with seemingly tacit approval from the highest levels of government and when too many Americans have a misplaced nostalgia for a time and place that never existed **Glimpses of Black Life Along Bayou Lafourche** Curtis J. Johnson,2012-11-30 This book describes experiences of Black people who lived throughout the Mississippi RiverBayou Lafourche Region of South Louisiana
