Boston's Banner Years: 1965-2015 Melvin B. Miller, 2018-07-20 Everyone with a sense of fair play is horrified by stories of racially inspired abuse As bad as such incidents can be however what is most damaging to the well being of blacks is the constant media assertions that blacks are inexorably inferior It can be difficult for people to feel motivated to achieve when they lack the confidence to believe in their own abilities *Boston's Banner Years 1965-2015* seeks to refute the negative implications of alleged black incompetence by chronicling black success Over the years editor Melvin B Miller has developed an institutional memory of his community's affairs He has used that unique resource to help produce this collection in which well qualified reporters share researched accounts of black achievement in Boston creating a record for future generations of black community success Stories of individual achievements of blacks can be inspiring but they sometimes seem like aberrations Providing numerous examples of blacks being assertive competent and successful these essays make it impossible to apply the negative racial stereotype to blacks in Boston a place that is to some extent an incubator of black success This collection of essays presents a series of biographical profiles highlighting black achievement and success in Boston over the course of fifty years

Democratic Education in Practice Matthew Knoester, 2015-04-25 The Mission Hill School founded by MacArthur Award winner Deborah Meier and colleagues in 1997 is a small public school that has rethought almost everything about the process of teaching and learning Beyond richly describing and evaluating this high achieving school the author argues that democratic education is increasingly difficult in this era of testing and standardization and that a school such as Mission Hill must be continually thoughtful innovative and courageous in counteracting systemic inequality This in depth examination is essential reading for anyone interested in how to better understand seemingly intractable problems related to urban public education in the United States Book Features An exemplary model of democratic education that shows the inner workings of a largely teacher governed school A rare example of an urban school implementing Dewey influenced progressive pedagogy In depth descriptions of an anti racist and culturally relevant pedagogy and curriculum A close examination of successful practices including shared decision making intensive problem solving and looking at student work Matthew Knoester is a National Board Certified Teacher and former teacher at the Mission Hill School in Boston He received his Ph D in Curriculum and Instruction from the University of Wisconsin Madison and is currently Assistant Professor of Education at the University of Evansville Matthew Knoester has done us an enormous favor by showing us in detail what could be one example of how schools can be the building blocks for democracy recreating community for all to taste feel hear and see From the Foreword

by Deborah W Meier This is exactly the kind of book that is so necessary at this time Schools can be respectful responsive and caring places Matthew Knoester gives us a detailed picture of such a school If more people would read books such as this the national debate on education would be all the better for it Michael W Apple John Bascom Professor of Curriculum and Instruction and Educational Policy Studies University of Wisconsin Madison Knoester s account of the Mission Hill School captures the habits of mind needed if public schools are to be truly democratic in spirit and in practice centered on the children and as Deborah Meier so powerfully advocates protected from those policies and social forces that accept and perpetuate disengagement and inequality in our children s education Linda McSpadden McNeil Professor of Education Rice University author of Contradictions of School Reform To those who have never seen the Mission Hill School in Boston it may sound like a magical place The good news is that it is real and Knoester shows us through his compelling narrative how and why they have been able to achieve so much For educators students and parents this book will be a source of inspiration At a time when our policymakers and many so called reformers are actively undermining support for public education this important book will serve as a reminder that we can do a much better job at educating all children Pedro Noguera Executive Director Metropolitan Center for Urban Education New York University **Margaret Pearmain Welch (1893-1984)**

Elizabeth F. Fideler,2017-12-14 In a bygone era when twentieth century Proper Bostonians mixed Beacon Hill formalities with countryside pleasures Margaret Pearmain Welch 1893 1984 defied the mores of her social set and got away with it She was the epitome of everything expected and much that was scandalous Known as a debutante dancer world traveler and hostess she was also an indefatigable activist writer lecturer lobbyist fundraiser and opinion shaper grande dame as well as proverbial little old lady in combat boots footwear more appropriate to confrontation than tennis shoes A descendant of seventeenth century dissenter Anne Hutchinson and just as independent she embraced Quaker ideals of religious tolerance conscientious objection and civil liberties as well as worship without the benefit of clergy Margaret was the quintessential socialite who established Waltz Evenings in her Louisburg Square drawing room and also the beauty whose marriages and divorces caused ostracism At the same time she worked tirelessly on women s suffrage reproductive rights world peace environmental protection monetary reform land conservation and more As the indomitable matriarch of an extended family and chronicler of its history her efforts at self fashioning produced a unique persona blending insistence on proprieties with a keen awareness of twentieth century social cultural political and economic shifts **Teaching and Researching ELLs'**

Disciplinary Literacies Meg Gebhard,2019-02-18 Written from a critical perspective this volume provides teachers teacher educators and classroom researchers with a conceptual framework and practical methods for teaching and researching the disciplinary literacy development of English language learners ELLs Grounded in a nuanced critique of current social economic and political changes shaping public education Gebhard offers a comprehensive framework for designing curriculum instruction and assessments that build on students linguistic and cultural resources and that are aligned with

high stakes state and national standards using the tools of systemic functional linguistics SFL By providing concrete examples of how teachers have used SFL in their work with students in urban schools this book provides pre service and in service teachers as well as literacy researchers and policy makers with new insights into how they can support the disciplinary literacy development of ELLs and the professional practices of their teachers in the context of current school reforms Key features of this book include the voices of teachers examples of curriculum sample analyses of student writing and guiding questions to support readers in conducting action oriented research in the schools where they work
