Must Go On Bea Lurie, 2025-06-03 The remarkable story of Sol Lurie a child survivor of six concentration camps during the Holocaust who continues to be a beacon of hope After a bucolic childhood in Kovno Lithuania Sol was just eleven when the Nazis invaded and he and his family were forced to move into the Kovno Ghetto The Kovno Ghetto was one of the only ghettos to later become a concentration camp and Sol was among just a few Jewish survivors from Kovno In this inspiring

story of tenacity character faith love and forgiveness we follow young Sol through heartbreak and fear torment and torture Through Sol s eyes we learn the history of the communities in Eastern Europe especially Lithuania which has long been a gap in the wider history of the Holocaust Along the way we meet the righteous few who helped save young Sol s life After being imprisoned in five other concentration camps for a total of four years Sol was liberated from Buchenwald on his fifteenth birthday To this day he still joyfully celebrates every year the day he was born and liberated Despite the horrors of youth Sol never lost his determination to live life to the fullest He embarked on a new life in the United States and would thrive as a husband father grandfather business owner and an inspiration for the thousands who have heard Sol share his incredible story and the lessons he has to share We can all learn from Sol at a time when divisiveness reigns Despite all that he suffered and all those he lost Sol s courage and positive attitude continues to inspire as he actively seeks out and see the good in others He wholeheartedly believes in *bashert* a Yiddish word that means destiny which gave him his mission to educate others to love not to hate *Life Must Go On* is a moving and vital new addition to the history of the Holocaust and the chorus of survivor stories that resonate throughout the generations **Jews, Germans, and Allies** Atina Grossmann, 2009-08-10

In the immediate aftermath of World War II more than a quarter million Jewish survivors of the Holocaust lived among their defeated persecutors in the chaotic society of Allied occupied Germany *Jews Germans and Allies* draws upon the wealth of diary and memoir literature by the people who lived through postwar reconstruction to trace the conflicting ways Jews and Germans defined their own victimization and survival comprehended the trauma of war and genocide and struggled to rebuild their lives In gripping and unforgettable detail Atina Grossmann describes Berlin in the days following Germany s surrender the mass rape of German women by the Red Army the liberated slave laborers and homecoming soldiers returning political exiles Jews emerging from hiding and ethnic German refugees fleeing the East She chronicles the hunger disease and homelessness the fraternization with Allied occupiers and the complexities of navigating a world where the commonplace mingled with the horrific Grossmann untangles the stories of Jewish survivors inside and outside the displaced persons camps of the American zone as they built families and reconstructed identities while awaiting emigration to Palestine or the United States She examines how Germans and Jews interacted and competed for Allied favor benefits and victim status and how they sought to restore normality in work in their relationships and in their everyday encounters *Jews Germans and Allies* shows how Jews were integral participants in postwar Germany and bridges the divide that still exists today between German history and Jewish studies **The Afterlife of the Shoah in Central and Eastern European Cultures** Anna

Artwinska, Anja Tippner, 2021-11-08 *The Afterlife of the Shoah in Central and Eastern European Cultures* is a collection of essays by literary scholars from Germany the US and Central Eastern Europe offering insight into the specific ways of representing the Shoah and its aftereffects as well as its entanglement with other catastrophic events in the region Introducing the conceptual frame of postcatastrophe the collected essays explore the discursive and artistic space the Shoah

occupies in the countries between Moscow and Berlin Postcatastrophe is informed by the knowledge of other concepts of post and shares their insight into forms of transmission and latency in contrast to them explores the after effects of extreme events on a collective aesthetic and political rather than a personal level The articles use the concept of postcatastrophe as a key to understanding the entangled and conflicted cultures of remembrance in postsocialist literatures and the arts dealing with events phenomena and developments that refuse to remain in the past and still continue to shape perceptions of today's societies in Eastern Europe As a contribution to memory studies as well as to literary criticism with a special focus on Shoah remembrance after socialism this book is of great interest to students and scholars of European history and those interested in historical memory more broadly
