A collage of various colorful calendars and planners. The background features a large, detailed calendar grid for the year 2026, with months from January to December visible. The grid is color-coded by month (e.g., January in light blue, February in light orange, etc.). Overlaid on this are several smaller, more decorative planners. One prominent planner in the foreground shows a monthly layout for January 2026, with a focus on the first half of the month. It includes a large '2026' header and a grid of dates, some of which are highlighted in different colors. Other smaller planners and calendar snippets are visible in the background, showing different months and designs, all contributing to a vibrant and organized aesthetic.
