Black Diamond A Bruno Courreges Investigation:

Black Diamond Martin Walker, 2011-08-30 The third installment in the delightful internationally acclaimed series featuring Chief of Police Bruno. Something dangerous is afoot in St Denis. In the space of a few weeks the normally sleepy village sees attacks on Vietnamese vendors, arson at a local Asian restaurant, subpar truffles from China smuggled into outgoing shipments at a nearby market, all of it threatening the Dordogne's truffle trade worth millions of dollars each year and all of it spelling trouble for Benoît Bruno Courreges, master chef, devoted oenophile and most important, beloved chief of police. When one of his hunting partners, a noted truffle expert, is murdered, Bruno's investigation into the murky events unfolding around St Denis becomes infinitely more complicated. His friend wasn't just a connoisseur of French delicacies; he was a former high profile intelligence agent and someone wanted dead. As the strange crimes continue, Bruno's detective work takes him from sunlit markets to dim cafés, from luxurious feasts to tense negotiations, from all of the paradisaical pleasures of the region to its shadowy underworld and reunites him with a lost love. An ambitious policewoman also assigned to the case. Filled with an abundance of food and wine, including bien sûr many many truffles and a soupçon of romance, *Black Diamond* is a deliciously entertaining concoction that delivers all the complexity and delights of the Dordogne itself. *Black Diamond* Martin Walker, 2010 At the heart of French gastronomy lies the famed black truffle of the Périgord. But France's truffles are being adulterated with cheaper ones from China and it seems that Chinese organised crime is behind the fraud. In St Denis market, a Vietnamese family has been selling their dishes for years until their stall is wrecked by attackers who look Chinese. Again it appears that organised crime is behind the outrage, firing the opening shots of a Viet-Chinese triad war. When vicious murder, illegal immigration and the importation of underage girls for prostitution are added to the mix, Bruno has his work cut out. Martin Walker spins an intriguing mystery leavened with charm and humour, informed by love and knowledge for France past and present. It is a combination that will win him many devoted readers. **A Chateau Under Siege** Martin Walker, 2024-07-16 When an actor in a local play is attacked during a performance, Bruno must learn whether it was an accident, a crime of passion or an assassination attempt with implications far beyond the small French village. The town of Sarlat is staging a reenactment of its liberation from the British in the Hundred Years War when the play's French hero, Brice Kerquelin, is stabbed and feared fatally wounded. Is it an unfortunate prop malfunction or something more sinister? The stricken man happens to be number two in the French intelligence service in line for the top job. Bruno is tasked with the safety of the victim's daughters, Claire and Nadia, as well as their father's old Silicon Valley buddies ostensibly in town for a reunion. One friend from Taiwan, a tycoon in chip fabrication, soon goes missing and Bruno suspects there may be a link to the French government's efforts to build a chip industry in Europe, something powerful forces in Russia and China are determined to scuttle. Wading through a tangle of rivalries and secrets, Bruno begins to parse fact from fiction while also becoming embroiled in some romantic complications and, of course, finding time to put together some splendid meals. The

Crowded Grave Martin Walker, 2011 Life in south west rural France is not the sleepy idyll you might suppose Local duck and goose farms are being attacked by animal rights protestors attempting to halt the production of foie gras A senior policeman has been shot by terrorists believed to be the Basque Separatists of ETA And if that weren't enough a group of students have just unearthed a modern skeleton during a dig at one of the ancient sites of this famous region and home to pre historic man a dig that has brought an influx of foreigners to the Dordogne It is up to Chief of Police Bruno Courr ges to get to the bottom of these seemingly unrelated events Martin Walker spins a surprising and compelling mystery laced with charm and a deep knowledge and love of France past and present It is a combination that will win him many fans *Bruno, Chief of Police*

Martin Walker, 2010-04-06 The first installment in the delightful internationally acclaimed series featuring Chief of Police Bruno Meet Beno t Courr ges aka Bruno a policeman in a small village in the South of France He s a former soldier who has embraced the pleasures and slow rhythms of country life He has a gun but never wears it he has the power to arrest but never uses it But then the murder of an elderly North African who fought in the French army changes all that Now Bruno must balance his beloved routines living in his restored shepherd s cottage shopping at the local market drinking wine strolling the countryside with a politically delicate investigation He s paired with a young policewoman from Paris and the two suspect anti immigrant militants As they learn more about the dead man s past Bruno s suspicions turn toward a more complex motive Enjoyable Martin Walker plots with the same finesse with which Bruno can whip up a truffle omelette and both have a clear appreciation for a life tied to the land The Christian Science Monitor A nice literary pairing with the slow food movement It is lovely to linger at the table Entertainment Weekly A wonderfully crafted novel as satisfying as a French pastry but with none of the guilt or calories Tuscon Citizen s Journal **The Shooting at Chateau Rock** Martin

Walker, 2020-05-26 This installment in the delightful internationally acclaimed series featuring Chief of Police Bruno will take all of Bruno s resolve and quick thinking to untangle a mystery that will reach its deadly denouement at the ch teau of an aging rock star But in true Bruno fashion at least lunchtime is never in danger It s summer in the Dordogne and the heirs of a modest sheep farmer learn that they have been disinherited Their father s estate has been sold to an insurance company in return for a policy that will place him in a five star retirement home for the rest of his life But the farmer dies before he can move in Was it a natural death Or was there foul play Chief of Police Bruno Courr ges is soon on the case embarking on an investigation that will lead him to several shadowy insurance companies owned by a Russian oligarch with a Cypriot passport The arrival of the oligarch s daughter in the P rigord only further complicates one of Bruno s toughest cases yet **The**

Body in the Castle Well Martin Walker, 2019-06-04 Another installment in the delightful internationally acclaimed series featuring Chief of Police Bruno When a young American woman turns up dead in the courtyard of an ancient castle Bruno Courr ges initially assumes that she died of an overdose But her doctor soon persuades him that things may not be so simple setting Bruno on an investigation that will lead him from the Renaissance to the French Resistance and beyond Claudia

Muller had been studying with Monsieur de Bourdeille a renowned art historian who became extraordinarily wealthy through the sale of paintings that may have been falsely attributed or so Claudia suggested shortly before her death In his younger days Bourdeille had aided the Resistance and been arrested by a Vichy police officer whose own life story also becomes inexorably entangled with the case Also in the mix is a young falconer who works at the Chateau des Milandes the former home of fabled jazz singer Josephine Baker Once again it's up to Bruno to make sure that justice is served along with a generous helping of his signature Provençal cuisine of course
