Building Parent Engagement In Schools:

Building Parent Engagement in Schools Larry Ferlazzo, Lorie Hammond, 2009-09-23 This work is a report on the positive impact of parental involvement on their child's academics and on the school at large Building Parent Engagement in Schools is an introduction to educators particularly in lower income and urban schools who want to promote increased parental engagement in both the classroom and at home an effort required by provisions of the No Child Left Behind Act of 2001 It is both an authoritative review of research that confirms the positive impact of parental involvement on student achievement and a guide for implementing proven strategies for increasing that involvement With Building Parent Engagement in Schools educators can start to develop a hybrid culture between home and school so that school can serve as a cultural bridge for the students Filled with the voices of real educators students and parents the book documents a number of parent involved efforts to improve low income communities gain greater resources for schools and improve academic achievement Coverage includes details of real initiatives in action including programs for home visits innovative uses of technology joint enterprises like school community gardens and community organization efforts Parental Involvement in Childhood Education Garry Hornby, 2011-04-07 Parental participation has long been recognized as a positive factor in children's education Research consistently shows that parents' contributions to their children's education lead to improvements in their academic and behavioral outcomes from elementary through middle and secondary school Recognizing the critical role of school psychologists in this equation Parental Involvement in Childhood Education clearly sets out an evidence based rationale and blueprint for building parental involvement and faculty awareness The author's starting point is the gap between the ideals found in the literature and the reality of parental involvement in schools An ecological analysis identifies professional institutional and societal factors that keep schools and parents distant Methods for evaluating parental involvement are detailed as is a model for developing and maintaining strong parental relationships at the instructor school and education system level with an emphasis on flexible communication and greater understanding of parents' needs This empirically sound coverage offers readers A detailed understanding of obstacles to parental involvement An evidence based model for parental participation A three nation study of parental involvement practices in schools Guidelines for implementing parental involvement activities and initiatives A review of effective communication strategies with parents Analysis of key interpersonal skills for effective work with parents Parental Involvement in Childhood Education is essential reading for practitioners and researchers in school psychology and counseling social work and educational psychology whether they work directly with schools or in providing training for teachers and other professionals who work with children and their parents *Family Engagement with Schools* Nancy Feyl Chavkin, 2017-02-21 Family Engagement with Schools is unique because it is the only book written especially for social workers and social work students who work in partnership with educators The text introduces social workers to the new Dual Capacity Building Framework and the latest resources

A Cord of Three Strands Soo Hong, 2021-02-17 How can low income non English speaking parents become advocates leaders and role models in their children s schools A Cord of Three Strands offers a close study of the Logan Square Neighborhood Association a grassroots organization on the northwest side of Chicago whose work on parent engagement has drawn national attention The author identifies three elements induction integration and investment that together capture the dynamic and developmental nature of successful parent engagement Writing with both optimism and urgency author Soo Hong offers richly detailed portraits of parents experiences and addresses the complex and sometime conflicting relationships among school family and community

New Ways to Engage Parents Patricia Edwards, Catherine Compton-Lilly, 2016-05-06 Just as populations change ideas about how to encourage and work with parents also need to evolve This practical resource by bestselling author Patricia Edwards provides school leaders and classroom teachers with new and creative ways in which to welcome encourage and involve parents Enacting these types of practices requires a special kind of commitment from teachers and school leaders which often coincides with a particular kind of mindset about families and one s responsibility to engage them Educators often develop this mindset as they depend their understanding of families literacy language culture race class and themselves Edwards pulls these understandings together and presents them in a straightforward concise and easy to use guide that is perfect for professional learning communities and teacher preparation courses New Ways to Engage Parents is essential reading for all educators who care deeply about engaging a wide range of parents in today s schools The book features a stark look at the changing community demographics and what that means for teachers and administrators strategies for communicating with parents examples of how to bring parents together for meaningful activities the importance of understanding parental constraints and the need to meet them halfway and approaches for overcoming school ghosts as well as negative histories and perceptions in the community
