The Adult Baby Identity: A Self-help Guide (Diaper Version) Dylan Lewis,2024-10-15 Dylan Lewis fourth book of the Adult Baby Identity quadrilogy a self help guide Knowing who we are as individuals is the most important journey in our lives and for many it is the most difficult one Even for people we call vanilla with no apparent kinks and oddities it is a herculean task But when you are an Adult Baby it is a vastly more complex mission Add being sissy to the mix and we are already pushing uphill and failing miserably But if we don t know who we are we act as if we are someone we are not We try to create a personality not fully our own We create masks and in doing so we create problems for ourselves and others around us This is the true value of books like this and

others along the same vein ABDL is not like other identity problems It is unique different and requires a perspective all of its own It is not about gender although gender issues can be involved It is not about sexual preference although that can be involved as well It is primarily about age and being powerfully driven back to a time of life most have left behind and yet we still literally inhabit **A Woman's Guide To...** Gwendoline Summers,Florence Grant,Maggie Joyce,Forrest
