Horngren, Walter T. Harrison, M. Suzanne Oliver, 2010-12-21 Sets the standard for introducing the field of comparative politics This text begins by laying out a proven analytical framework that is accessible for students new to the field The framework is then consistently implemented in twelve authoritative country cases not only to introduce students to what politics and governments are like around the world but to also understand the importance of their similarities and differences Written by leading comparativists and area study specialists Comparative Politics Today helps to sort through the world s complexity and to recognize patterns that lead to genuine political insight MyPoliSciLab is an integral part of the Powell Dalton Strom program Explorer is a hands on way to develop quantitative literacy and to move students beyond punditry and opinion Video Series features Pearson authors and top scholars discussing the big ideas in each chapter and applying them to enduring political issues Simulations are a game like opportunity to play the role of a political actor and apply course concepts to make realistic political decisions ALERT Before you purchase check with your instructor or review your course syllabus to ensure that you select the correct ISBN Several versions of Pearson s MyLab check with the seller before completing your purchase Used or rental books If you rent or purchase a used book with an access code the access code may have been redeemed previously and you may have to purchase a new access code Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code Check with the seller prior to purchase **Accounting, Chapters 1-23, Student Value Edition** Charles T.

Horngren, Walter T. Harrison Jr., M. Suzanne Oliver, 2008-12-30 For Principle of Accounting Courses Students understand or get it right after you do a problem in class However as soon as they leave class their ability to do the problems and complete their homework diminishes with each passing hour Often times this results in students struggling to complete their homework on their own Even worse the frustration can lead to students quitting on the material altogether and falling behind in the course As a result an entire class can fall behind as instructors attempt to keep everyone on the same page With the Accounting 8e Student Learning System all features of the student textbook study resources and online homework system are designed to work together to provide students with more I Get It moments The consistency repetition and strong details throughout the entire student learning system allow students to achieve success both inside and outside the classroom while keeping both instructors and students on track
