Ashes Chronicles Hugh Singleton Surgeon:

A Polluted Font: The Chronicles of Hugh de Singleton, Surgeon, Book 16 Mel Starr, 2023-10-03 Mel Starr's latest novel is a thoroughly enjoyable medieval crime mystery. It may be enjoyed as complete in itself or as part of the Hugh de Singleton series. When Hugh and Kate's new born son is taken to the church to be baptized they are astounded to find that the locked font is completely dry. The possibility of a leak is quickly ruled out and just as Hugh is beginning to wonder if there may be a sinister explanation for the stolen holy water Fr Robert is found lying motionless by the rood screen in a pool of blood. Meanwhile parliament has passed a poll tax stipulating everyone above the age of 14 is to be taxed equally. Folk are soon scrambling to find the money to pay and inevitably unscrupulous elements in society see an opportunity to feed off people's desperation and make some cash. But what connection can there possibly be between this and events at Bampton?

Ashes To Ashes Mel Starr, 2015-09-18 Master Hugh, Kate and their children attend the Midsummer's Eve fire. Next morning early Hugh hears the passing bell ring from the Church of St Beornwald and moments later is summoned. Tenants collecting the ashes to spread upon their fields have found burned bones. Master Hugh learns of several men of Bampton and nearby villages who have gone missing recently. Most are soon found, some alive, some dead. Master Hugh eventually learns that the bones are those of a bailiff from a nearby manor. Someone has slain him and placed his body in the fire to destroy evidence of murder. Bailiffs are not popular men; they dictate labour service, collect rents and enforce other obligations. Has this bailiff died at the hand of some angry tenant? Hugh soon discovers this is not the case. There is quite another reason for murder.

Deeds Of Darkness Mel Starr, 2017-08-18 Mel Starr's writing is superb. And the stories themselves are captivating. Highly recommended. Davis Bunn, internationally bestselling author. To bring justice Master Hugh must foil the corrupt power of great men. Many medieval scholars discontinued their university studies before completing their degree. Some lacked funds, others became bored with a scholar's life. Occasionally these young men formed lawless bands robbing and raping and creating chaos. They were called goliards. In *Deeds of Darkness* Master Hugh learns that the Bampton coroner, an old friend, has been slain while traveling to Oxford. As he seeks the killer or killers he discovers a band of goliards in the area between Oxford and Bampton. But how to apprehend these youths? They have protectors far above Hugh's station. He must deal with the claims of justice on the one hand and the power of great men to protect their henchmen on the other.

Master Wycliffe's Summons Mel Starr, 2021-10-22 Mel Starr has done it again with another brilliant Sir Hugh de Singleton medieval mystery to keep readers guessing until the very end. I was there at the Queen's College dining on pottage getting soaked in the rain in fourteenth century Oxford. Mel always draws you into the experience. Toni Mount, author of the Sebastian Foxley murder mystery series. One of Master John Wycliffe's scholars is found dead after a thunderstorm. Was he struck by lightning or was there something more sinister to his death? Scholar Richard Sabyn, a particularly obnoxious fellow, was believed to have been struck by lightning. However, Master Wycliffe believes otherwise and calls upon Sir Hugh de

Singleton for help Sir Hugh shares Wycliffe's suspicions and launches a private investigation learning that it might indeed be possible to make it look as though a man has died from a lightning strike But who would go to all that effort and why When fellow scholar Simon Duby dies it raises even more questions and suspicions What is the connection between the two men Sir Hugh believes a bronze pot a bucket of urine and a small quantity of charcoal and brimstone may hold the answer During a bleak 1375 can he survive the insidious plague and several attempts on his life as he continues his quest for truth [The Easter Sepulchre](#) Mel Starr,2020-09-18 Sir Hugh is in top form tracking down the wily killer of local clerics while eating his way through a feast of mediaeval dishes A delightful mystery with an authentic historical touch Fiona Veitch Smith author and scriptwriter Time travel from the safety of your armchair with a murderous twist Mel Starr's eagerly awaited new Hugh de Singleton medieval mystery doesn't disappoint his fans Join everyone's favourite physician cum bailiff as he endeavours to solve more dire fourteenth century crimes Toni Mount author of the Sebastian Foxley murder mystery series Keeping watch over the Easter Sepulchre where the Host and crucifix are stored between Good Friday and Easter Sunday is considered a privilege So it is shocking when it is discovered that Odo the priest's clerk has abandoned his post in the middle of the night But as the hours pass and Odo is not found panic rises At first light Bampton's bailiff Hugh de Singleton is roused from his bed It is Hugh that ingeniously finds the clue that leads all to fear for the life of the missing man The question is will Hugh be called to investigate another murder or will he find the man hale and hearty But if the latter where has the blood come from

Without A Trace Mel Starr,2019-09-20 An engrossing read in the successful Chronicles of Hugh de Singleton Surgeon series Lady Philippa the wife of Sir Aymer a knight of the realm disappears while travelling from her husband's manor to Bampton She and her maid are travelling in an enclosed wagon whilst her husband and his grooms and a squire are mounted When the party arrives at Bampton Castle neither the lady nor her maid are within the enclosed wagon they have simply vanished As the disappearance may have happened while the travellers were on Lord Gilbert's lands his surgeon and bailiff Hugh de Singleton is assigned to discover what has happened to the lady Has she been taken Her has she fled her husband Can Hugh help find her or is it already too late [Prince Edward's Warrant](#) Mel Starr,2018-08-24 Another delightful and absorbing mystery from Mel Starr keeping the reader guessing as the corpses pile up in Prince Edward's palace Hugh de Singleton of the dry wit and engaging humility is one of my favourite sleuths Penelope Wilcock British author and blogger Master Hugh won the Black Prince's favour when he helped to ease the Prince's illness Now in the autumn of 1372 the prince is suffering a relapse and sends to Bampton for Master Hugh to attend him While at dinner in Kennington Palace Sir Giles the knight who escorted Hugh to London is stricken and dies Poison Sir Giles is not popular and there are many who would gladly see the fellow done away with except for Prince Edward The Black Prince feels a debt to the slain man because of his heroic behaviour at the Battle of Crecy where the knight stood firm with the prince when the fight seemed of uncertain outcome Despite caring little for Sir Giles Master Hugh must once again place himself in jeopardy and seek to uncover the

perpetrator of the crime **Way of Wicked** Mel Starr,2024-09-19 Kendrick Wroe is found dead in the frozen Shill Brook Most suspect he has been poaching Lord Gilbert s fish though Sir Hugh finds reason to believe this may not be so Then one of Kendrick s friends is slain another seems to be in mortal peril and in an apparent attempt to throw Hugh off the scent his comely daughter Bessie is abducted As the town drops all to find her the tension steadily increases a member of a plow team dies in mysterious circumstances Kendrick s surviving friend is forced to flee for safety in Eynsham Abbey and as events seemingly spiral out of control it s all Hugh can do to master his anxiety and uncover the killer Mel Starr s latest novel is a thoroughly enjoyable medieval murder mystery It may be appreciated on its own or as part of the Hugh de Singleton series

Suppression and Suspicion Mel Starr,2022-09-23 Edmund Harkins has gone missing Few would confess to liking the man a wife beater and distinctly unsavoury character so when some hungry pigs disinter his corpse in a shallow grave there is hardly an outpouring of grief However this intensifies the problem Sir Hugh faces as bailiff of Bampton it is his duty to discover who has slain Edmund But if he does he will earn the enmity of villagers who are pleased the scoundrel is dead and who knows what repercussions might follow To further complicate Hugh s life the Bishop of Exeter has sent a new vicar to Bampton his nephew who behaves in an obnoxious manner to Lady Katherine s maid and seems obsessed with discovering any heretical views Hugh might hold The vicar also it transpires is contributing to the unhealthy atmosphere of suppression and suspicion that has come to pervade the village **The Tainted Coin** Mel Starr,2013-09-20 Fans of medieval mysteries will revel in Starr s lively blending of intriguing suspense and telling historical detail Library Journal It is the autumn of 1367 Master Hugh is enjoying the peaceful life of Bampton when a badly beaten man is found under the porch of St Andrew s Chapel The dying man is a chapman a traveling merchant Before he is buried in the chapel grounds an ancient corroded coin is found in the man s mouth Master Hugh s quest for the chapman s assailants and his search for the origin of the coin makes steady progress but there are men of wealth and power who wish to halt his search and an old nemesis Sir Simon Trillowe is in league with them But Master Hugh and his assistant the groom Arthur are determined to uncover the thieves and murderers and the source of the chapman s coin They do but not before they become involved with a kidnapped maiden a tyrannical abbot and a suffering monk who needs Master Hugh s surgical skills and in return provides clues which assist Hugh in solving the mystery of the tainted coin
