

The background is a rich, abstract collage of Mexican cultural motifs. It features a variety of colorful paper flags (papel picado) in shades of red, orange, yellow, blue, and green. A prominent yellow sombrero with a green band and a red and green striped band is visible on the right side. Below the sombrero, there's a colorful piñata. The overall composition is dynamic and celebratory, with a warm, festive atmosphere. The text 'ASK A MEXICAN' is centered over a semi-transparent dark brown rectangular background.

sides of the Rio Grande forged shared networks in which they discussed indigenous peoples and other ethnic minorities In doing so Roseblatt argues they refashioned race as a scientific category and consolidated their influence within their respective national policy circles Postrevolutionary Mexican experts aimed to transform their country into a modern secular state with a dynamic economy and central to this endeavor was learning how to manage racial difference and social welfare The same concern animated U S New Deal policies toward Native Americans The scientists border crossing conceptions of modernity race evolution and pluralism were not simple one way impositions or appropriations and they had significant effects In the United States the resulting approaches to the management of Native American affairs later shaped policies toward immigrants and black Americans while in Mexico officials rejected policy prescriptions they associated with U S intellectual imperialism and racial segregation *Batos, Bolillos, Pochos, and Pelados* Chad Richardson, 2010-07-05 The Valley of South Texas a recent joke goes is a great place to live It s so close to the United States Culturally this borderland region is both Mexican and Anglo American and its people span the full spectrum from a minority who wish to remain insulated within strictly Anglo or Mexican communities and traditions to a majority who daily negotiate both worlds This fascinating book offers the fullest portrait currently available of the people of the South Texas borderlands An outgrowth of the Borderlife Research Project conducted at the University of Texas Pan American it uses the voices of several hundred Valley residents backed by the findings of sociological surveys to describe the lives of migrant farm workers colonia residents undocumented domestic servants maquila workers and Mexican street children Likewise it explores race and ethnic relations among Mexican Americans permanent Anglo residents Winter Texans Blacks and Mexican immigrants From this firsthand material the book vividly reveals how social class race and ethnicity have interacted to form a unique border culture
