John Shirley

Asking For The Earth Waking Up To The Spiritualecological Crisis:

Asking for the Earth James George, 2002 Asking for the Earth was first released in 1995 after the author led the international mission to Kuwait to assess damages from Operation Desert Storm This book is even more timely today as we face the possibility of further warfare and destruction James George presents the convincing argument that our planet is suffering from twin crises ecological and spiritual with a common source in our deep separation from nature and from each other Inspired by the teachings of Gurdjieff Thomas Merton Tibetan Buddhism and other contemplative traditions the author shows that to avoid disaster we must wed scientific truth to an awakening of consciousness and acceptance of responsibility

Gurdjieff: The Key Concepts Sophia Wellbeloved, 2013-04-15 This unique book offers clear definitions of Gurdjieff's teaching terms placing him within the political geographic and cultural context of his time Entries look at diverse aspects of his Work including possible sources in religious Theosophical occult esoteric and literary traditions the integral relationships between different aspects of the teaching its internal contradictions and subversive aspects the derivation of Gurdjieff's cosmological laws and Enneagram the passive form of New Work teaching introduced by Jeanne de Salzmann **Gurdjieff** John Shirley, 2004-03-30 A dramatic and literate introduction to one of the twentieth century's most influential and intriguing spiritual teachers Born in the shifting border between Turkey and Russia in 1866 G I Gurdjieff is a man who would continually straddle borders between East and West between man and something higher than man between the ancient teachings of esoteric schools and the modern application of those ideas in contemporary life In many respects from the concept of group meetings to the mysterious workings of the enneagram to his critique of humanity as existing in a state of sleep Gurdjieff pioneered the culture of spiritual search that has taken root in the West today While many of Gurdjieff's students including Frank Lloyd Wright Katharine Mansfield and P D Ouspensky are well known few understand this figure possessed of complex writings and sometimes confounding methods In Gurdjieff An Introduction to His Life and Ideas the acclaimed novelist John Shirley one of the founders of the cyberpunk genre presents a lively reliable explanation of how to approach the sage and his ideas In accessible dramatic prose Shirley retells that which we know of Gurdjieff's life he surveys the teacher's methods and the lives of his key students and he helps readers to enter the unparalleled originality of this remarkable teacher Globalization & Identity Majid Tehranian, B. Jeannie Lum, 2006 In the first decade of the twenty first century globalization and identity have emerged as the most critical challenges to world peace This volume of Peace Policy addresses the overarching question What are the effects of globalization in the areas of culture ethnic diversity religion and citizenship and how does terrorism help groups attain a sense of global identity Part I Citizenship in a Globalizing World reexamines globalization in light of the traditions from which human civilizations have evolved Linda Groff focuses on Samuel R Huntington's thesis that the Cold War would be followed by a clash of civilizations Joseph A Camilleri traces the history of the concept of citizenship and its transformation through the ages to modern times Kamran Mofid argues that the

marketplace is not just an economic sphere but one where economic and business interests must embrace the spiritual assets of the community Majid Tehranian raises the problem of identity and advocates the assumption of global identity responsibility and citizenship Part II Convergence in Global Cultures explores the complex issues of diversity in religions Christopher Leeds Vladimir Korobov and Bharapt Gupta show how the reconceptualization of the world both geographically and regionally can recreate new sensibilities needed to overcome differences Part III Divergence in Global Conflicts discusses the multiple dimensions of the globalizing effects of economic expansion and political strife experienced by different cultures at local and regional levels Audrey Kitigawa and Ade Ogunrinade use Nigeria as an example of political manipulation of religious and ethnic groups to divert attention from the real problems of social and economic marginalization Fred Riggs looks at how the Web has become a medium in the globalization of religious movements The authors maintain that continuing efforts for dialogue across cultural and religious boundaries in today's interreligious and interfaith organizations can become a force for healing Majid Tehranian is director of the Toda Institute for Global Peace and Policy Research B Jeannie Lum is an associate professor at the University of Hawaii at Mnoa in the Department of Educational Foundations College of Education

Globalization and Identity B. Warrior-King of Shambhala Jeremy Hayward, 2008 Chogyal Trungpa was born in Tibet and strictly trained in the manner traditional for reincarnations of great

teachers At the age of 19 he led 300 people over the Himalayas to India in a dramatic escape recounted in his autobiography Born in Tibet Over the following 30 years Trungpa became one of the foremost pioneers of Tibetan Buddhism in the West He was also a highly controversial figure considered by many to be one of the greatest Buddhist teachers ever to come to the west and viewed with suspicion by others He taught in a style that went altogether beyond conventional ideas of what a holy man should be like dressing in ordinary western clothes drinking and taking sexual consorts He taught in English with a direct and penetrating voice that drew to him many intelligent young students These memoirs tell the story of the author Jeremy Hayward a close student and friend of Trungpa Rinpoche who became a senior teacher and administrator in the organizations Rinpoche established This intimate chronological account opens with Hayward s first meeting with Trungpa Rinpoche in 1970 and progresses year by year until Rinpoche s death and beyond Each chapter year includes some discussion of the teachings that Rinpoche was presenting at that time as well as the context and atmosphere in which these teachings occurred and the evolution of the society and organizations which he inspired The book should be of interest to all students of Buddhism as well as others interested in the evolution of Buddhism in the west and possibly other seekers on the spiritual path

Letters to Vanessa Jeremy Hayward,1997-09-02 The world we inhabit is enchanted every tree rock and star and even empty space itself is teeming with living energy and awareness And it s all nearer to us than our own breath Why then can t we see it Because according to Jeremy Hayward we are taught not to And because our cultural conditioning keeps us in denial about the fact that a strictly scientific worldview provides only a partial and unsatisfactory view of reality Letters to Vanessa is the guidebook for a generation caught in the crunch between the hard realities of science and the genuine yearning for an experience of the sacred In a series of letters addressed to his teenage daughter Dr Hayward points the way past the limits of science and shows how we can connect with the magical multidimensional universe of soul Along the way he presents the most recent findings of neuroscience cognitive psychology new biology and physics in a most engaging and understandable way He also provides practical meditation instructions that will enable everyone to reconnect with the joyous reality of ordinary life
